Secretaries hold July meeting

The Pendleton area Legal Secretaries' July meeting was a potluck picnic in Stillman Park. Nine members were present.

Dr. Tamara Vega was guest speaker. She spoke on the tremendous task it was to get all children entering school for the first time immunized.

Forms are sent home with the children which the law requires to be returned and most of the parents do not return them. This entails more bookwork, letters from the State and more tax money.

These forms must be returned whether or not you want your child immunized. These services are performed for the benefit of the children and the community in general, as it keeps outbreaks of contagious diseases under control. Anyone having questions is invited to call Dr. Vega at the Health Department.

There was a question and answer period after which Dr. Vega took the blood pressure of each member present.

The August meeting is tentatively set for Dorothy Earl's home.
