

# Party Line

By Dorothy Zita

Remember when we celebrated Washington and Lincoln's birthdays? February 2, the State and County offices were closed. Pauline Winter and Sharon Stookey worked at the courthouse. At least they answered the phone calls, to let everyone know the courthouse was closed, because of Lincoln's birthday. Now on Feb. 16, the U.S. Post Office will be closed, in honor of Washington's birthday. No school holiday.

Monica Swanson of the Heppner Child Development Center is in need of children to take care of. She has set a new policy for prices and hours. No longer will you have to pay for a full or half day if your child is there two hours or less. The new rate for two hours or less is 90 cents an hour, with a small snack. The all day charge is \$4.50 and \$2.50 for half a day. If you have not tried the Heppner Child Development Center, I would suggest you do. The surroundings are cheerful, lots of children to play with and the very best of supervision. Also there is a section for small babies.

This is the ideal place to have your child go after school, until you can pick them up. Also I almost forgot to add, the cost for each additional child is half price. Call the center, 676-9246, talk to Monica if you have further questions.

Clarence Bauman is recuperating at home after having major heart surgery at Veterans Hospital, Seattle.

Tom Howell is out in the winter weather, looking good after his recent bout with illness. He says "all he needs to feel really great is some spring weather." We'll all buy that Tom.

Shannon Ellen Farley's sorority initiation was held at Pi Beta Phi house, OSU, Corvallis. I hope it is right this time.

### SINGSPARATION NEXT SUNDAY AT LEXINGTON

On Sunday evening, Feb. 8, a Singspiration service will be held in the Christian Church at Lexington. Everyone is welcome to come join in this musical evening. Services will begin at 7:30 p.m.

TIPS: for a quicker and creamier fudge beat it with an egg beater instead with a spoon.

## Clinics start Feb. 18

The first of the Morrow County Health Department Immunization Clinics is scheduled in Morrow County Schools as follows.

A.C. Houghton School, Irri-  
gton, Feb. 18, 9:30-10:30 a.m.;  
Riverside School, Boardman,  
Feb. 18, 11 a.m.; Heppner  
Grade School, Feb. 24, 9-11  
a.m. Second session kinder-  
garten children are asked to  
come to the clinic during the  
morning. Heppner High  
School, Feb. 24, 1 p.m.; Lone  
Schools, Feb. 25, 9:30-11 a.m.

The clinics will be under  
direction of Dr. L.D. Tibbles,  
Morrow County health officer,  
assisted by Pat Wright, R.N.,  
and volunteers.

Immunizations to be offered  
include DPT, DT, measles,  
rubella, measles-rubella, and  
trivalent oral polio vaccine.  
Measles-mumps-rubella will  
be given to preschool, kinder-  
garten and first grade child-  
ren only.

Preschool children are wel-  
come to attend the clinics  
during the scheduled hours.

# Bicentennial concert coming

Dr. Sy Brandon with Shannon Kelly, Heppner, member of the college-community orchestra.

A free Bicentennial concert  
featuring music by American  
composers will be presented  
at 8 p.m., Thursday, Feb. 12,  
at Heppner Elementary Scho-  
ol.

The Blue Mountain College  
Community orchestra and  
wind ensemble, directed by  
Dr. Sy Brandon, will perform  
"Little Threepenny Music" by  
Kurt Weill, "Suite in E Major"  
by Arthur Foote, "Romanza"  
by John Kilpatrick, and "Suite  
from the River" by Virgil  
Thomson. Assistant conductor  
is Loree Tucker-McKenna.

Kurt Weill's "Little Threepenny  
Music," to be performed  
by the Wind Ensemble, is a  
suite of pieces from the  
well-known "Threepenny Op-  
era," which includes the  
familiar "Mack the Knife."

For string orchestra, "Suite  
in E Major" was composed by  
Arthur Foote, one of the  
lesser-known American  
composers. Anita Brandon will  
be featured oboe soloist for the  
Romanza selection.

Composer John Kilpatrick,  
a full-blooded Cherokee In-  
dian, was a successful com-  
poser and distinguished music  
critic in Dallas, TX, as well as  
chairman of the department of  
music at Southern Methodist  
University. He was awarded a  
citation for his dramatic and  
musical accomplishments by the  
Cherokee Indians—the  
second ever to have been  
given by the Cherokee Nation.  
"Suite from the River," by  
Virgil Thomson, is comprised  
of four movements that depict  
phases of the Mississippi  
River. Thomson studied in  
Paris and was a music critic  
for many years on the New  
York Herald Tribune. He has  
composed operas, film scores,  
a ballet, and a large number of  
piano pieces as well as many  
symphonic works.

The Blue Mountain College  
Community Orchestra was  
established in 1974 to give  
college and community musi-  
cians an opportunity for  
musical expression, and to

provide quality orchestral  
music for the public. It  
consists of approximately 40  
members from Umatilla and  
Morrow Counties. The orche-  
stra season includes 3 con-  
certs per year.

Dr. Brandon, conductor, is  
director of instrumental music  
at Blue Mountain Commu-  
nity College.

The music for this occasion  
is provided by a grant from  
the Music Performance Trust  
Funds (Kenneth E. Raine,  
trustee), a public service  
organization created and fi-  
nanced by the recording indus-  
tries under agreements with  
the American Federation of  
Musicians.

It has become increas-  
ingly clear that nuclear energy  
and coal are the only means  
of providing additional en-  
ergy which will allow for  
economical growth and  
more jobs.

## Grant forms ready

A supply of 1976-77 Basic  
Educational Opportunity  
Grant application forms and  
instructions is on hand at the  
public library. These forms  
are for use by students  
seeking financial assistance  
for post secondary education  
during the academic year July  
1, 1976 through June 30, 1977.  
These forms have again  
been sent by the Department  
of Health, Education and  
Welfare to public libraries as  
well as to high schools and  
post secondary institutions.  
During the last two years very

few persons have used the  
forms from the Heppner  
library.

In addition to the applica-  
tion forms there are supple-  
mental forms that may be  
submitted with the application  
under certain conditions to  
reflect a significant change in  
the applicant's financial situa-  
tion from 1975 to 1976. The  
library also has a fact sheet  
describing the Office of Edu-  
cation's student aid programs  
and a concise brochure to help  
students as well as parents.

## Sourdough Doughnuts

- |                    |                          |
|--------------------|--------------------------|
| 1 cup sugar        | 2 cups sourdough starter |
| 1/2 cup shortening | 1 tsp. cinnamon          |
| 2 eggs             | 1/2 tsp. vanilla         |
| 1/4 cup milk       | 1 tsp. soda              |
| 1/2 cups flour     | 1 tsp salt               |
|                    | 1/2 tsp. nutmeg          |

Cream sugar and shortening. Add eggs one at a time. Add sourdough starter, milk, vanilla, cinnamon and nutmeg. Beat 2 minutes with rotary beater. Blend salt and soda with flour and sprinkle into batter. Mix Well. Let rise one hour. Turn out on generously floured surface. Roll around lightly to coat with flour. Roll dough gently to 1/2 inch thickness and cut with floured doughnut cutter. Let rest while heating oil to 375 degrees. Fry until golden brown, drain, serve sugared or frosted.

## 200 YEARS IS NOT A VERY LONG TIME

... not even three lifetimes—yet look at the tremendous strides our nation has made in that brief span.

We of America's nearly 1,000 rural electric systems have taken some giant steps, too, during our own much-briefer history. Just 40 years ago fewer than ten farms in a hundred had electric light and power; today America's countryside is almost completely electrified.

Peoples' lives have changed, improved. Communities have new vigor and purpose. Rural outmigration has ceased, even reversed.

Now we must point our feet down the road ahead, take more giant steps... so that tomorrow's children can look back 200 years from now on a past as glorious as ours.

The Columbia Basin Electric Coop was organized 36 years ago and provided the first electric service along its' lines 27 years ago.
