

THE GAZETTE-TIMES

1 Card of Thanks

Many thanks for all the kindnesses extended me during my recent illness and hospital stay.

Special thanks to Dr. Carpenter, Dr. Gifford and the Pioneer Memorial Hospital staff.

JOHN HANNA

May we express our many thanks to all who helped try to save our house from burning and worked to save the store. Without the vehicles with water and much concern of our neighbors and friends, the loss would have been much greater.

The clothes, toys, telephone calls and general concern are certainly appreciated. Thank you all again.

Mr. & Mrs. Kenneth Wright and Family
Mr. and Mrs. Harold Wright

I wish to thank all my wonderful friends and relatives for the cards, flowers and prayers during my recent illness.

SCHOOL ATTENDANCE PROCEDURES

Oregon Law requires the parents of a child between the ages of 7 and 18 years, who has not completed the 12th grade, to send and maintain their child in a public full time school during the entire school term. Under the law, absence from school is permitted only for illness of the student, for extreme emergencies such as a death in the immediate family, or for scheduled and supervised school activities such as athletic contests and field trips. Also, by making advance arrangements with the school, the student may be pre-excused for personal or family matters such as medical or business appointments or essential work.

The compulsory school attendance law has certain exceptions pertaining to employed students, physically or mentally handicapped students, students who cannot be transported to school and students who attend private or parochial schools or home instruction.

Morrow County residents are encouraged to contact their local school office and school principal if they have a question about school attendance procedures. If a student is not in school during normal school hours, a call to the school office will result in an explanation for the absence or will alert the school principal to a possible truancy to be checked.
