

Special Salute to Spring

from your Agricultural Specialists

Spirit of '76

They got the Bicentennial spirit down at the plant, and this is what came out. The International Harvester Spirit of '76 Lawn Tractor with a big 7 hp air-cooled engine connected to a smooth 3-speed standard transmission. With a built in 36" wide 2-blade rotary mower that can be adjusted for mowing height while you're on the move. And it's specially priced for '76.

3.5 HP ROTARY MOWER 21"

21" with aluminum deck, designed for easy operation. Grass catcher standard equipment. Briggs & Stratton engine, easy-spin start.
