Each year the auxiliary honors one of its members for their contribution to the auxiliary in service or work throughout the year. Helen McCabe was chosen as this year's recipient, due to all of her work with rehabilitation. Rehabilitation covers the gathering up, listing, and packing of the gifts that have been donated or purchased by the auxiliary or unit members throughout the year for the Christmas Gift Shop. The gift shop is sponsored by the American Legion and Auxiliary each year. If a veteran is in the hospital at the time of the gift shop, they can go through and choose a gift for each member of his immediate family at no cost to himself or family. The rehabilitation committee uses a part of its funds to help cover the expense of wrapping and mailing of the gifts. Other projects of the rehabilitation program is the baking and sending of cookies and cakes to the Veterans Hospitals each year. The lone unit has participated in this project for several years. The lone unit also has adopted a "Buddy"—a veteran who has no family to remember him each year on different holidays and his birthday. Mrs. McCabe also takes care of this project under her title of Rehabilitation.
