

Party Line

By Dorothy Zita

Looks like Saturday will be the day for us to be on hand to cheer the walkers on. The Walkathon has become one of the main topics of conversation with all the students asking for sponsors from the local citizens. Judge Paul Jones has donated \$100 towards the event. He will not be able to walk himself, but has volunteered Com. Warren McCoy or Com. Homer Hughes to walk for him. Orville Cutsforth has donated \$25 for one of his grandchildren to walk the 20 miles. I can count seven grandchildren who now should get out and walk. The place to meet is at the Ford garage parking lot at about 9 a.m.

I didn't overlook our two mayors, Gene Orwick, Lexington, or Bob Drake, Ione. I just assumed that they would not let Honorable Mayor Sweeney, Heppner, take all the lime light. Come on fellows the walkitis for the March of Dimes.

Just read where the relatives of Howard Hughes cannot find over 180 million dollars of his money. Think we should paddle a canoe to Bermuda and start digging in the sand & it would be a nice vacation.

There are three bake sales this weekend with the American Legion and the Degree of Honor holding theirs on Friday, April 16 and the Heppner Child Development Center holding one on Saturday, April

17. With all the women baking for the bake sales, there should be some good eating on Easter Sunday.

Have hope gals... our golfing has definite possibilities of improving. Phoebe Hayes, 73, scored her first ACE on the 120 yard 8th hole, Boardman on April 5. Phoebe has been playing golf for the past 3 years and this is her first "Hole-in-One." Now don't you feel better?

The signs of spring are all around us with the grass turning green. The bright colors of yellow, purple, red, white and blue edging the yards, makes all the fall work worthwhile.

You are invited to the "Agri-Rama" that will be held April 20 starting at 12:30 p.m. at the Elks Lodge, Heppner. Burdine Tullis was asked if this was to be a luncheon, her answer was no, but we will have lots of snacks. I agree with Birdine that Molly Beckel should be there to supervise the french fry department provided by Gourmet Foods. After all Molly, you want to become active in your community.

This Tuesday is vote day. The candidates who are running for positions on the school and advisory board need your vote. The Blue Mountain Community College and Mor-

row County school budgets are up for vote again. Our everlasting dog problems that seem to crop up at every other city and county meeting will be up for vote asking the county to enforce some kind of control. Be active, VOTE.

The CowBelle luncheon and program was well attended this Tuesday. The guest speaker was Liz Hyde, State CowBelle president.

Mr. and Mrs. Bill Privett recently returned to their home in Heppner after spending the winter in Arizona. They reported a very enjoyable time and are planning to return next fall.

Some of the highlights of their trip were visits to Mexico, the Organ Pipes National Monument, London Bridge, Boulder Dam and a copper pit mine in Ajo, AZ. These were just several of the many interesting places and things they saw.

They caught "rock hound fever" and brought many nice specimens back with them.

On their return trip they met their daughter and husband, Mr. and Mrs. Alan Brown, Newport, OR, in Death Valley, CA, and spent a very interesting week visiting Scottie's Castle, the Charcoal Kilns, the Twenty-Mule Team Borax Mines, the Salt Flats and many beautiful canyons and mountains.

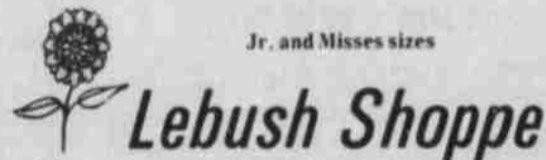

No, Barbara I don't know why people always form a line to the right, but I do believe in the Easter Bunny and jelly beans.

PLAN TO VISIT THE PIONEER COURTHOUSE

When you are in downtown Portland, take time to visit the Pioneer Post Office-Courthouse between Fourth and Fifth Avenues and Alder and Yamhill Streets.

On its second floor a Morrow County native, the historian Judge John F. Kilkenny has, with the help of many, brought about a beautiful restoration of the court rooms and offices. This spring he was awarded the Oregon Chapter D.A.R. Medal of Honor for his outstanding leadership.

Judge Kilkenny and his Pilot Rock-Pendleton secretary Louise Kopp are happy to show Morrow visitors around. They point with pride to the big, roll-top desk sent from this county by Phil Mahoney which was formerly used by Judge Calvin Sweek. They tell the history of each piece of historic furniture.

So, if you love Oregon history, a fine restoration and lovely furniture—visit Portland's Pioneer Courthouse and Judge John F. Kilkenny and Louise Kopp.

Who Finances Your Needs? We Do.

Security Required

Land Bank loans are made on the security of first mortgages on farm or ranch land, part-time farms and rural housing.

Size of Loan

The amount of loan which may be made is dependent upon the appraised value of the security to be mortgaged and the debt repayment ability of the applicant.

Terms of Loan

Terms are fitted to the security and needs of the borrower. The 20-year term is probably the most popular, but loans can be made for terms up to 40 years.
