## Lions elect officers

The Heppner Lions Club will be installing new officers at the Charter Night Banquet to be held May 8, 1978.

The Election of Officers was held April 20, 1978 at the regular meeting. Those elected were: President, Don Cole; 1st Vice President, Bill Lande; 2nd Vice President, Bob Johnson; 3rd Vice President, Mike Anderson; Secretary, Dave Harrison; Treasurer, Dave Dollarhide, Tail Twister, Larry Mills; Lion Tamer, Clayton Herzog; Board members Cliff Green, Mike Howell, Mark Johnson and Neil Parks.

The Charter Night Banquet will be a steak and seafood dinner followed by a dance.

The Club will recognize the "Outstanding Lion" of the Club and there will be other awards.

"Membership Award Keys" will be presented to four Club members who have brought new members into the club. These awards go to David Harrison, Bill Lande, Richard Sargent and Dave Franzen, who is still a member but lives in Burns.

## CB radio donated

A citizen band radio has been donated to the Sheriffs Department by the Morrow County Sheriff's Search and Rescue Posse.

The CB radio is monitored on channel 9 and is to be used for emergencies. All calls will go to the sheriff's department and in the event of an emergency the sheriff's department will notify the posse of the location of the emergency and the nature of the trouble.

There are presently 37 members in the MCCSARP. Newly elected officers are president Ed Yeoman, vice-

president Simon Winters, secretary Don Isom, treasurer Mark Miller and historian Archie Ball.

10 members of the MCCSARP were issued certifications March 16 as a result of several training sessions and seminars held by the Oregon State Emergency Services Division and Oregon State Sheriff's Association. The sessions include classes and practice on the following subjects: first aid, outdoor survival, Type 1, 2, and 3 searches, compass and map reading, crime scene protection and collection of evidence.

## THE SOIL BANK

Jim Gesman

Like a bank deposit, a pre-plant application of Union/Collier Aqua Ammonia or NH<sub>3</sub> is in the wheat farmers' interest.

Remember your seed is only as good as your soil. So now's the time to get your soil ready for a top crop of wheat. Whether you farm dry land or wet land, we can help you make a better land with a specialized pre-plant application of Union/Collier Aqua Ammonia or NH<sub>3</sub>.

We've got the right equipment, kept in top condition. And we even "Tech Check" our equipment in the field to make sure we're delivering the right amount in the right places. We want you to get the most from every fertilizer dollar you spend. And that policy helps keep your money in the bank.
