

Party Line

By Dorothy Zita

Memorial weekend saw the parks of our area overflowing. Bull Prairie and Anson Wright Park trailer pads were almost all taken by Thursday evening. Cutsforth Park was not completely full. The rain, hail and snow gave the campers a cool feeling, that summer was yet to come. Fishing was good and limits were not hard to reach.

Heppner High School teachers and families held their end-of-the-year picnic at Bull Prairie with a fun time enjoyed by all. Also if anything else should be added, big sighs of relief were heard. "Schools out."

There are two women in our area who would like to form a woman's baseball team. Diane Ball, 676-5306 and Ruby Shear, 676-9921 would like to hear from anyone who are interested in playing. They need lots of players, at this time, there would not be any bench warmers. Think of all the exercise and of that fresh air girls.
