The State Housing Division seeks proposals for the construction or rehabilitation of multifamily rental projects for lower income households. Approved projects will receive mortgage financing and rent subsidy payments through the Division.
The area and number of units for which the Division is seeking proposals is listed below.

Area: Morrow Gilliam, Umatilla and Wheeler Counties

Units Available:
26 one-bedroom units
15 two-bedroom units

Sponsors are encouraged to submit proposals for the projects which combine bedroom types. Any size of multiple-unit project may be acceptable provided it does not exceed the total units available for the area.
Preference will be given to rehabilitation projects, small projects to be built and owned by local sponsors, and projects which maximize the use of local labor and suppliers.
The Division is an equal opportunity lender. All units financed and subsidized by the Division must be rented without regard to race, creed, religion, sex or national origin of the potential tenants.
To receive a developer's packet, which includes all necessary forms and explanatory material, write or call the Housing Division, Department of Commerce, Labor and Industries Building, Salem, Oregon 97310; telephone 378-4343.
