

Trophies plaques presented

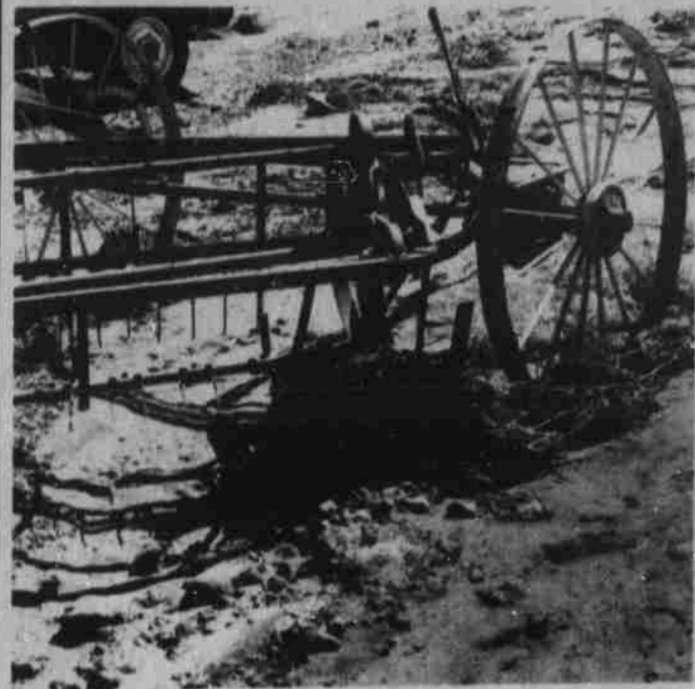

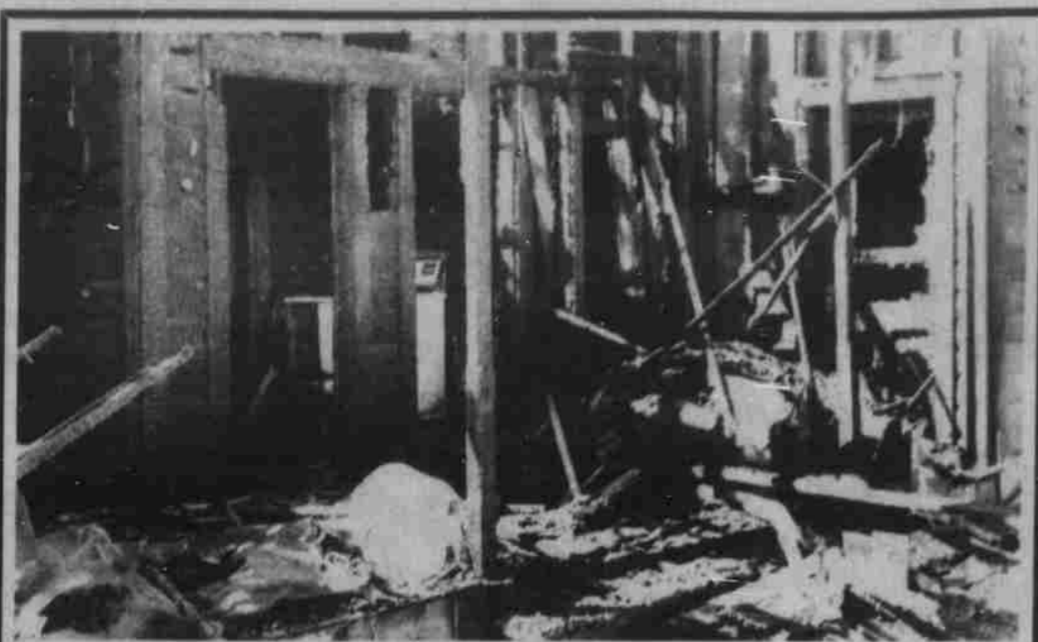

For the first time, special awards in the form of plaques or trophies were presented to the most outstanding exhibit in each open class department at the Morrow County Fair. Various individuals and firms throughout the county made the awards possible.

The Fruits and Vegetable trophy donated by John and Ann Prag was won by Jane Rawlins of Heppner. The Heppner Garden Club donated the flower plaque which was won by Mayko Buchanan of Irrigon. The award for the outstanding commercial exhibit donated by Blue Mt. Potato Growers Council was won by Eastern Oregon Farms. The Sabre Farms award for other commercial crops was won by Harold "Shorty" Peck of Heppner.

The Home Economics award given by Eastern Oregon Farms was won by Esther Minnick of Boardman. Cathy Palmer of Heppner won the Teen Corner plaque given by the J-S Ranch of Boardman. Children's Corner winner was Anita Palmer of Ione. Her award was made possible by the Lindsay Ranch. The Arts, Crafts and Collections award given by Oregon Potato Inc. was won by Pauline Matheny.

The Western Sheep award was won by Mark Sargent of Heppner. Grieb Farms of Lexington took the Sabre Farms beef trophy. Aaron Evans of Irrigon won the Sabre Farms Poultry trophy and Lorrain Hayes of Heppner won the Sabre Farms Rabbit trophy.

The name of Cheryl Ammons will be added to the Morrow County Wheat League Cake.

It wasn't your typical happenings for Ione last week. Along with a flash flood that sent six inches of muddy water over the area, the old Swanson house was gutted by fire. Authorities are looking at arson possibilities.

If you are in Salem for the fair... watch for the Morrow County members!

PGE to construct Boardman RR bridge

Public Utility Commissioner Charles Davis has approved a joint request from the Union Pacific Railroad Company and Portland General Electric Company to construct a railroad crossing over Interstate 80N at Castle, near Boardman.

The new industrial track will serve a proposed PGE thermal electric generating facility located ten miles south of I-80N. The track will be used for the delivery of materials during construction and for delivery of coal to the plant.

The facility is scheduled to begin operation in June, 1980. Two bridges will be constructed to support the track where it crosses the divided highway.

Cost of the project will be paid by PGE.

Recipe brochures available here

Two recipe brochures which show the many ways to use zucchini and green tomatoes are available at all Umatilla and Morrow County Extension

offices, reports extension home economist Molly Saul. Home gardeners often are bewildered trying to find different ways to use the prolific squash. Cool weather may cause an oversupply of green tomatoes.

Zucchini recipes include casseroles, relish, quick bread, cookies, sweet pickles, dill pickles, pancakes, fruit bars, chocolate cake, marmalade and salad, in addition to directions for drying.

Green tomato recipes include dill pickles, mincemeat, fried tomatoes, pie, relish, conserve and marmalade.

Mrs. Saul states that all recipes are available at no cost.
