Talent show slated

A Friday evening talent show will kick off the Boardman Harvest Festival this week.

The Tillicum Club sponsored event had 13 entries early this week and directors are expecting more.

The show is slated for Friday night at 8 p.m. at Riverside High School. It is the first of many events that highlight Boardman's celebration this weekend.

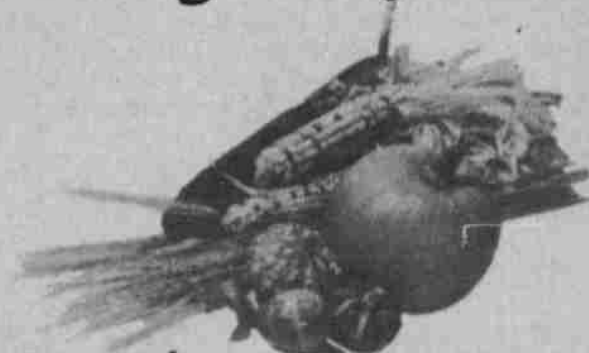

The amateur event where everyone is welcome, lists various entries, including the Murphy Family singing; Jack Donovan and Dale Brent with their Beach Boys imitation and magic act; Sharon Murphy and Betty Hodson; and a dance team from Hermiston, consisting of seven girls and the director, Mrs. Peterson.

Door prizes will be offered with the purchase of a 50 cent ticket.
