Calendars go on sale

The ladies of Alpha Theta Chapter of E.S.A. International will be ringing doorbells in their drive to sell community birthday calendars from Sept. 8 through Oct. 13.

Many people of the community look forward to these calendars which list club meeting dates, birthdays, anniversaries and special events.

To have your special dates listed costs only 25 cents a listing and the calendars cost only \$1 each.

When you purchase a calendar you not only receive a

nice calendar but you also know that you have contributed to some worthy cause as all profits from sales goes toward Alpha Theta's philanthropic budget.

Last year the calendar money was spent in the following manner: \$10, cystic fibrosis; \$25, Camp Meadowood speech camp; \$5 E.S.A. Disaster Fund; \$25, St. Jude's Children's cancer research hospital; \$50, local Christmas

baskets; \$50, Oregon's Easter Seal crippled children's hospital; \$200, Heppner's Pioneer Memorial Hospital, and \$100, Heppner 4-H Camp scholarships.

The money for the Pioneer Memorial Hospital has been put in a time savings account until such time as we have the amount needed to help with some new lighting that is needed in several of the hospital rooms.

County to gain NF \$

Morrow County will receive \$102,522.51 in receipts from National Forest earnings in fiscal year 1976. Oregon and Washington counties containing National Forest lands will receive \$60 million.

Regional Forester Theodore A. Schlapfer said the 1976 allocation is about \$11 million more than in fiscal year 1975, but the increase was in Oregon, with the Washington total down.

The payments to treasurers of the two states represent 25 per cent of the receipts from all resources and uses of the National Forests, including timber harvest, grazing, minerals, recreation, power, and other land use. Most of the monies are from timber sales, Schlapfer said. The total for Oregon was up and Washington down, Schlapfer said, because of significant differences in volume of timber

harvested and stumpage values. Volume cut in Washington dropped from 1,268 billion to 1,008 billion board feet, while in Oregon the drop was from 3,991 billion to 3,950 billion. The average sale price in Oregon increased \$3.45 per thousand board feet but in Washington the average per thousand increased only 76 cents.

The Morrow County Road Department will complete \$70,000 worth of road oiling and pavement sealing this summer.

The crews are planning to seal additional roads numbering 25-30, according to Judge Paul Jones. Jones said the 1976 summer project would total \$70,000 when they are complete this fall.

Among roads to be improved are Upper Rhea Creek, Sand Hollow, Clark's Canyon, Blackhorse Canyon, Baseline, Lexington Grange Hall, and Rietmann Road.
