Extension

four Oct. 28
October 28 is the day for the annual fall out-of-county tour, sponsored by the Extension Homemakers Advisory Committee.

The educational tours have proven so popular with women that men are now demanding equal rights. This time, special invitation is offered to all interested men and women to join the tour.

Destination this fall is the Trojan Nuclear Plant near Portland.

Special arrangements for the tour of Trojan have been made by Bus Clough of Portland General Electric Company. In order to keep costs to a minimum, sack lunches will be the order of the day, with PGE providing coffee and cookies to go along with lunch. After the tour, the buses will take participants back to downtown Portland with time allowed for sight-seeing in the area of the mall and other new developments in the downtown area. Dinner plans will be "on your own" prior to bus departure.

Cost for transportation will be \$8.50, which must be sent in with registration to participate. Checks should be made to "Extension Homemakers Committee." The bus will leave Heppner at 5:30 a.m., pick up passengers in Lexington and Boardman.

Reservations for the tour should be sent to Morrow County Extension Service, Box 397, Heppner. If there are more than one bus load interested, a second bus will be chartered. Final date to register is Monday, October 25th.

Office expanded

The firm of Herman Winter-Mike Sweeney, attorneys at law, has expanded to a branch office in Boardman.

The new office, in Nelson Square, has already opened and will be open on Tuesday and Thursday from 9-5.
