### MORROW COUNTY, OREGON, GENERAL ELECTION

TO BE HELD ON TUESDAY, THE 2nd DAY OF NOVEMBER, 1976

MARK A CROSS (X) OR CHECK MARK (✓) IN THE VOTING SQUARE BETWEEN THE NUMBER AND THE NAME OF EACH CANDIDATE VOTED FOR, AND TO VOTE ON CONSTITUTIONAL AMENDMENTS, MEASURES OR QUESTIONS, MARK A CROSS (X) OR CHECK MARK (✓) AFTER THE WORD "YES" OR AFTER THE WORD "NO".

## MEASURES

REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY

1. **VALIDATES INADVERTENTLY SUPERSEDED STATUTORY AMENDMENTS**—Purpose: This constitutional amendment provides that if two or more legislative acts at the same session amend the same statute, both amendments shall be given effect unless they conflict in purpose. In case of a conflict, the act last signed by the Governor controls. Under present constitutional requirements, passage of a second amendment of the same statute which inadvertently fails to incorporate the earlier amendment nullifies the first amendment.

2. **ALLOWS CHANGING CITY, COUNTY ELECTION DATES**—Purpose: Constitutional provisions now require city officers to be nominated on the state-wide primary election day, and city and county officers to be elected on the state-wide general election day. This measure amends those provisions to permit the legislature to adopt laws providing a different state-wide uniform day for each of such nominating or regular elections.

3. **LOWERS MINIMUM AGE FOR LEGISLATIVE SERVICE**—Purpose: This measure would amend the constitution to lower the minimum age for service as a State Senator or State Representative from 21 to 18, and add a requirement that a Senator or Representative must be a registered voter of this state.

4. **REPEALS EMERGENCY SUCCESSION PROVISION**—Purpose: This measure would repeal the constitutional provision which authorizes legislation to provide for emergency succession to the public offices becoming vacant, and to adopt other measures providing for the continuity of government, in a disaster resulting from enemy attack.

5. **PERMITS LEGISLATURE TO CALL SPECIAL SESSION**—Purpose: This measure would allow the legislature, which now may convene only in regular biennial sessions or in special sessions called by the Governor, to convene itself at any time. The presiding officers are required to convene the legislature within five days after receiving the written request declaring an emergency by the majority of the members of each House.

6. **ALLOWS CHARITABLE, FRATERNAL, RELIGIOUS ORGANIZATIONS BINGO**—Purpose: This measure would amend the constitutional provision prohibiting lotteries to permit charitable, fraternal and religious organizations, defined as such and exempt from income tax under the federal tax laws, to conduct bingo or lotto games.

7. **PARTIAL PUBLIC FUNDING OF ELECTION CAMPAIGNS**—Purpose: Provides public funding for communications expenses in general election campaigns, up to \$90,000 for state offices elected in the state of large, \$4,000 for State Senator and \$2,450 for State Representative. Eligibility based on minimum expenditures from private contributions and minimum percentage of total vote received. Source of funds is voluntary \$1.50 check-off on state income tax return; funding reduced proportionately for all candidates if insufficient for full amount.

ESTIMATE OF FINANCIAL EFFECTS: The passage of ballot measure #7 will result in transfers within the General Fund to the Fair Election Fund of an estimated \$425,000 annually, and would bear administrative expenses of an estimated \$75,000 annually.

## Proposed by Referendum Petition

8. **INCREASES MOTOR FUEL, TON-MILE TAXES**—Purpose: This measure, adopted by the legislature and referred by petition, would increase the motor fuel tax from seven to eight cents per gallon, and graduated weight-mile and flat fee tax rates for commercial vehicles, in two yearly increments averaging 13% each. Increased revenues generated would be used solely for highway maintenance and reconstruction. A legislative interim committee is created to review transportation regulation, highway use taxes, expenditure and allocation, and other matters.

ESTIMATE OF FINANCIAL EFFECTS: The passage of ballot measure #8 will result in additional tax revenues to the state of an estimated \$16,796,000 annually.

## Proposed by Initiative Petition

9. **REGULATES NUCLEAR POWER PLANT CONSTRUCTION APPROVALS**—Purpose: Imposes conditions on approval of sites and construction of nuclear power plants, not previously finally approved by May 12, 1975, including removal of all federally imposed liability limits; all safety systems tested and found effective in operation in substantially similar systems; waste disposal found to be permanent without chance of radioactivity escape. Each house of legislature must by 3/3 vote find conditions met, after extensive hearing proceeding. Governor must annually publish evacuation plans.

ESTIMATE OF FINANCIAL EFFECTS: The passage of ballot measure #9 would result in costs to the state of \$250,000 in 1977.

10. **REPEALS LAND USE PLANNING COORDINATION STATUTES**—Purpose: This measure repeals statutes relating to state-wide land use planning, coordination and control, and creating and prescribing powers, duties of Land Conservation and Development Commission and Department, including statutes relating to state-wide land use goals and guidelines, review and control of local comprehensive plans, land use decisions, and activities of state-wide significance. The statute establishing standards for county comprehensive plans is amended to delete reference to state-wide goals and guidelines.

11. **PROHIBITS ADDING FLUORIDES TO WATER SYSTEMS**—Purpose: This measure would make it unlawful and subject to abatement as a public nuisance for any person or governmental unit to add fluoride or fluoride-containing compounds to any community water supply system.

12. **REPEALS INTERGOVERNMENTAL COOPERATION PLANNING DISTRICT STATUTES**—Purpose: This measure proposes repeal of ORS 190.003 to 190.115, which authorizes local governments, and the state, to enter into agreements with each other or otherwise to cooperate in performance of any of their functions and activities, and also repeal of ORS 197.703 to 197.795, which provide for creation of a regional planning agency for the Clackamas-Washington-Multnomah County metropolitan area, and specify its organization, duties and powers.
