

Homecoming Activities

Homecoming activities involved everyone last week. The girls and guys switched roles and the band put on commendable halftime show Friday.

Carter-Mondale tab committee

The Carter-Mondale State Campaign Headquarters announced today the appointment of the Morrow County committee.

4-H to 'Tighten the ship'

"We want you...only if you want us," is a new motto being incorporated by Morrow County 4-H leaders, according to Mike Howell and Birdine Tullis, county 4-H coordinators.

The duo spoke at the Heppner-Morrow County Chamber of Commerce Monday, showing a slide film that outlined the county's 4-H program.

Howell said Morrow County planned to "tighten the ship" and not be so lenient.

Howell said that 4-H leaders would be advised to tighten standards on attendance and participation. Too many times, Howell said, a youngster is in 4-H only to get a chance to sell an animal at the fair.

The pair called the north end of the county a challenge and said that 4-H encouragement and interest was growing there. Last year, almost 400 kids were involved in 4-H in Morrow County.

Tullis told the chamber that today, 4-H has grown from cows and horses to the addition of creative arts such as toile painting, pet programs and puppetry.

nounced today the appointment of the Morrow County committee.

The co-chairpersons for the Morrow County Carter-Mondale Committee are Sharon Summer and Paul Jones. Ms. Summer is a former assistant secretary of the Oregon Senate. She is married to State Representative Jack Summer. Paul Jones is a 12-year

member of the County Lodge, running for re-election. Both of the co-chairpersons live in Heppner.

The Morrow County Committee will be conducting an

intensive door-to-door voter contact and voter registration campaign. Volunteers wishing to join the Carter-Mondale campaign should call Sharon Summer at 676-5364.

A MESSAGE TO THE FIRST TIME VOTER

Your Vote is a very precious thing, and you must handle it with care. Don't abuse it. Don't waste it or throw it away. Don't ignore it. And, above all, don't belittle it — because it's the most powerful force in America today.

Sincerely,

Ken Jernstedt
Ken Jernstedt
State Senator
District 28

441 N. Main Heppner 676-9481

Re-Elect Paul W. Jones, Judge

Look at his Record in Morrow County

Roads:

Hard surface roads increased from 150-325 miles. Crushed rock roads from 400-600 miles. Morrow County has more miles than either Union or Baker Counties.

Development:

Negotiations with B.L.M. in 1965-67 resulted in sale of governmental land in Morrow County and made present agricultural development possible in Boardman and Irrigon areas.

He has cooperated with our 5 cities on streets and other municipal projects.

Under his leadership, the County Court has coordinated activities with the Port Commission and approved the current development in the Boardman-Irrigon area.

Roads under planned development include Wilson and Faler. A signal crossing at Patterson Ferry is in final stages of approval and the last link on the Bombing Range Road has been approved and the survey is underway. Morrow County built a clinic in Heppner and is negotiating a Federal Grant to erect a Health Center in Boardman.

Taxes:

Morrow County has never gone over the 6 per cent limitation for the General Fund support. The tax rate for all County services has declined from \$3.92 per thousand in 1973 to \$2.05 in 1976-77. With the growth of the Justice of Peace Court in Irrigon, new quarters must be found; Morrow County is right now accepting bids from contractors for a new office building in Irrigon.

Re-Elect Judge Paul W. Jones

Paul Brown Sec.-Tres.
