

Thanksgiving

A tradition for more than 350 years

This Thanksgiving, as we carve the turkey and enjoy the foods of the harvest season, let us remember to be thankful for the freedom we enjoy. And, as we celebrate the 200th anniversary of the United States of America, let us pay a special tribute to the Pilgrims of the Massachusetts Colony and our other forefathers who came to the New World in search of freedom. The Pilgrims of New England established the tradition of Thanksgiving even though their first years in the New World were rough and the harvest was small. They were thankful for their freedom and for the opportunity to create a colony in a new land, carving a community from the wilderness. We should always remember these brave settlers, for it was they who set the foundations for freedom upon which our country is built.
