

Card girls record triumph

"We had a slow start but the girls kept coming on," Martha Doherty, lone Cardinal girls coach said this week, following Ione's overtime win over Mt. Vernon Saturday, 30-24.

Ione outscored their hosts, 8-2, in the fifth and overtime period to ice the win.

Susan Thompson and Donna Palmer each hit two fielders in the extra minutes to knot

the game away.

The game was tied after regulation at 22. Ione fought back from a 13-8 halftime deficit to gain a final buzzer tie.

Deborah Palmer paced Ione with seven points, followed by Thompson with six, Grace McElligott with five, Donna Palmer, Lisa Martin with four and Joan Doherty and Carol McElligott with two each.

Ione outshot Mt. Vernon from the field, 13-7, but fell back at the line, hitting four of 21 shots. Mt. Vernon had 31 tries at the gift toss line, but made just 10.

Joanne Marcell led Mt. Vernon with 10 points.

Filly JVs pound Pirettes

Ho hum. Heppner's Filly junior varsity has the highest team score in one game of any Heppner High School basketball team.

And it was an impressive win. The JVs knocked off Riverside last Thursday, 68-21, setting a high precedent with the near 70 score.

Canning 32 field goals, many on fast break lay-ins, Heppner built a 16-4 first period lead, had lengthened it to a 33-11 halftime edge, then pounded the net for a 42-16 third quarter mark.

A pair of buckets each from Jana Steagall, Geri Grieb, Julie Grieb and Cindy Kerr did the trick in the first quarter. Julie Grieb, the game's high scorer with 14

points, hit three more fielders in the second period to lead the way.

Laurie Harrison added seven points in the third period and five from Geri Grieb paced the Fillies in the fourth.

A tough zone defense forced Riverside to stay outside and the Pirettes just couldn't find the range from 15 and 20 feet.

Following Julie Grieb, sister Geri added 13, followed by Vicki Marlin and Cindy Kerr with 12 each. After the four in

double figures, Harrison had nine, Steagall had four and Cindy Dougherty and Lynne Gauchnauer each added two.

For Riverside, Judy Daines and Becky Rayner had six each, followed by C.A. Donovan with four.

★ Club Umatilla Tuesday ★

A strong zone defense against a hapless Umatilla Viking junior varsity was all the Filly JVs needed Tuesday night.

Heppner rode a 12-0 first period lead to a 42-7 win, the second in as many outings for the Filly females.

Julie Grieb and Jana Stea-

gall each had eight points to pace Heppner.

The defense stood out for Heppner. By the end of 16 minutes and the half, Umatilla had a single point on the board. At the end of the third, there was a three and finally a single seven.

Rhonda Collier scored all seven points for the losers.

On the winning side, following Steagall and Grieb, Laurie Harrison had five points, Cindy Kerr had five,

Geri Grieb had four and Kathleen Van Scholack, Cindy Doherty, Alice Abrams, Lynne Gochnauer and Viki Marlin had two each. JoLynne Daly added a free throw point.
