

Jan Bietel, president of the Morrow County Creative Arts, termed last week's art show a success this week. More than a dozen local artists showed their work Friday and Saturday at the Old Ford Garage building in Heppner. Showing their work were Shirley McNary, Jan Bietel, Ann Meland, Ardith Hunt, Sylvia McDaniel, Alice McCabe, Jan Paustian, Virginia Whitaker, Sue

Duncan, Irene Swanson, Debbie Paustian, Millie Rauch and Pauline Matheny. Kauch showed macramé and Swanson demonstrated quilt making. The others showed oil painting. Bietel wished to publicly thank everyone for their work on the art show and their cooperation. Because of the show, she said, new members joined. Other shows are planned for the coming year.
