

## Library discusses north end needs

The matter of public library service to residents in the Boardman-Irrigon area was discussed briefly by the County Court last Wednesday, Jan. 19.

The Heppner Library Board, at its December meeting, decided that the matter of the inclusion of some library service space in the new county building in the river area should be investigated. Mrs. Weatherford brought the possibility to the court's attention.

Commissioner Hughes said he had heard that there was a complaint about the library's services being limited to the southern section of the county. Judge Jones stated that if the residents of the area wanted library service, they needed to petition the court. That the need and request must originate with the residents of that area.

Commissioner McCoy said that he would inquire further about interest in library service.

## NEWS BRIEFS

### Highway funds distributed

The State Highway Division has distributed \$15,868,205.82 in highway user funds to the 36 counties of the state during the period July 1 to Dec. 31, 1976. H. Scott Coulter, state highway engineer, reports.

The allocation is based on the statutory 20 per cent. Appropriation is made to counties on a monthly basis.

The funds come from: motor vehicle registration and operator's license fees, gasoline tax, use fuel tax, motor carrier fees, and fines and penalties collected for violations of the size and weight statutes from citations issued by Highway Division weighmasters.

The allocation to each county is based on the number of vehicles registered in it during 1975.

In Morrow County, there were 2,551 registered vehicles in 1975 for an apportionment of \$70,891.57.

### Wheat market builds

All Northwest grain markets closed the week ending Jan. 20 within a few cents of the previous week's close, according to the USDA's AMS Grain Division, Portland.

Wheat markets had a stronger undertone as adverse weather conditions, causing an increased demand at the Gulf for available supplies, were the influencing factors. Cooler weather in the Midwest has also increased feed consumption.

White wheat markets are 4 cents per bushel over last week at \$2.92 per bushel to arrive coast. Anticipation of additional export business and reduced farmer selling are influencing the markets.

Fresh export business continued on the light side. The Japanese Food Agency purchased 2 cargoes of wheat for April and Taiwan, 2 cargoes for March lifting. Traders have reported that overseas buyers are taking an interest in barley. Actual figures are not available at this time.

Wheat and feed grain markets moved in a mixed price trend across the nation during the week in the Pacific Northwest. No. 1 soft white and white club wheat closed the week at \$2.92 per bushel to arrive coast. This compares to \$2.88 per bushel last week and \$3.88 per bushel a year ago. The cold, dry weather that set in nearly two weeks ago moderated toward the wet end. Most wheat fields have snow cover, offering good protection from the zero degree temperature. Stands show no stress to date.

This week's export was less than hoped for. Korea purchased 3,000 metric tons of spring to fill out their February requirements. Taiwan bought 30,000 metric tons for March lifting, and Japan 2 cargoes for April.

### BMCC tuition raised

In a step designed to permit students to bear part of the increasing costs of education, the Blue Mountain Community College Board of Education has raised tuition fees \$5 per term.

Starting with Fall term, the new tuition and fees for full-time students will be \$125 per term, up from the current \$120.

The Board also increased the travel equalization grant to students from Umatilla and Morrow counties who live more than 10 miles from Pendleton. The grant was increased from 2½ cents to three cents per mile per school day to help equalize the additional costs incurred by students who live more than 10 miles from the college.

In other action, the board:

- Approved economy steps taken by President Ron Daniels to meet a loss of revenue resulting from a drop in enrollment.
- Approved expansion of the college's present Practical Nursing program to include an Associate Degree Nursing program. The new plan, if approved by state agencies, would train both one-year Practical Nurses and two-year Associate Degree Nurses. If state approval is received in time, the program will be instituted next Fall.

### Jones named VP

Delpha Jones of Lexington has been named vice president of the Eastern Region Council of the Oregon Lung Association. Her term of office starts Apr. 1 and runs through Mar. 31 of 1978, the Association reports.

She will serve with other new officers, Jim Shaw of Ontario, president, and Lorna Rees, Helix, secretary.

Everett Abbott of La Grande and Delpha will serve as representative directors from the Eastern Region Council to the Oregon Lung Association State Board of Directors. Delpha is serving her second year in this capacity.

### Auction cancelled

An auction sale for two 40 acre parcels of National Resource Lands in Eastern Oregon's Gilliam County has been cancelled because the Federal Land Policy and Management Act of 1976 abolished the legal authority under which the land was being offered for sale.

The Bureau of Land Management (BLM) had scheduled a public sale for Feb. 1, 1977, at its Oregon State Office, 729 NE Oregon St., Portland, Ore.

The land is in two isolated tracts. One is in the community of Olex and the other five miles southeast of Olex.

The parcels will be reoffered for sale after new regulations are published under the Federal Land Policy and Management Act, BLM officials said.

## Shop the Gazette-Times Classifieds

Billing for classified ads is expensive. Classified ads are on a cash in advance basis, unless customer has a regular commercial account with the Gazette-Times. If so, classifieds will be billed monthly.

Rates are \$1.50 for the first ten words or less, or 15 cents a word. If the ad runs for 3 weeks, the third week is free. If the ad runs for 4 consecutive weeks or more, the rate is 10 cents a word. Cards of thanks are \$3.00.

### 1. Card of Thanks

We wish to offer our heartfelt thanks to those who assisted at the scene of the accident and for the many expressions of concern and offers of assistance in the following days.

Mr. and Mrs. Dick McElligott  
Mr. and Mrs. Don McElligott

We would like to thank the Willows Lodge No. 66, Independent Order of Oddfellows, for the use of their hall and kitchen facilities this past four months. They have made it possible for many couples to learn and enjoy square dancing. Also, a big Thank You to Darrel and Bev. Wilson.

Ione Grand Squares

We would like to thank the people of Ione for coming to our aid the night of our fire.

We are especially grateful to John Sanchez and Chuck Buchanan for discovering the fire and waking us. Without their prompt help, we could have had a major fire.

Paul and Helen Pettyjohn  
4-1-c

**NOTICE OF PUBLIC HEARING**

On February 8th, 1977, a public hearing will be held before the Common Council of the City of Heppner for the purpose of discussing the proposed annexation of real property to the City of Heppner. The hearing will be held starting at 8:00 p.m. at Heppner City Hall. The real property is described as follows:

..Heppner School: A tract of land in Section 27, Township 2 South, Range 26 East of the Willamette Meridian, Morrow County, Oregon, described as follows:

..Beginning at the point of intersection of the North line of Morgan Street and the West City limits of Heppner, said point being South 66.24 feet and West 592.29 feet from the Northwest corner of Lot 1, Block 2, Mt. Vernon's Second Addition to Heppner, Morrow County, Oregon; thence along said City limits South 60 feet to the South line of Morgan Street; thence along said South line North 88 degrees—34' East 16.04 feet; thence South 68 degrees—36' East 120.84 feet; thence South 57 degrees—29' East 603.70 feet; thence leaving said South line

of Morgan Street, South 34 degrees—41' East 279.61 feet; thence South 12 degrees—05' West 537.00 feet; thence South 37 degrees—53' East 93.48 feet; thence South 33 degrees—16' West 228.39 feet; thence North 64 degrees—11'—30' West 1,384.52 feet; thence North 755.30 feet; thence North 66 degrees—59' East 201.85 feet; thence North 88 degrees—34' East 444.54 feet to the point of beginning. Contains 31.92 acres.

Said tract being subject to a 60 foot right-of-way for a County Road being described as being 30 feet on each side of the following described centerline:

Beginning at the intersection of said centerline with the West City limits of Heppner, said point being 696.24 feet South and 592.29 feet West from the Northwest corner of Lot 1, Block 2, Mt. Vernon's Second Addition to Heppner; thence running South 88 degrees—34' West 438.83 feet; thence South 66 degrees—59' West 185.94 feet; thence South 30 degrees—04' West 855 feet to a County Road and there terminating. Contains 2.0 acres.
