## Cards of Thanks

The Heppner Swim Team wishes to thank everyone who had a part in making our Spring Rummage Sale a success. 17-1c

The family of Mary Lindsay would like to thank all of the law enforcement agencies and volunteers who aided in the search and stood by us during the agonizing hours to lend their assistance and support and those who relinquished their telephone lines promptly.

A very special thanks to those who assisted Mary in the operation of her farm and all of those whose friendship sustained her.

Our love to those who helped us maintain our faith in mankind when it momentarily faltered under the circumstances of her death. Thank you for your prayers, both public and private, flowers, food, cards, contributions, family dinner and the strength that flowed to us from those who cared.

But most of all, thank you, Mary Lindsay, for your love, dedication, support and the example you set for us in your love of God, country, fellow man and the soil of Morrow County.

To all our friends, neighbors and family, our heartfelt thanks for their expressions of sympathy. The floral offerings, donations to charities, delicious food and many other kindnesses were appreciated very much. A special thanks to the Holly Rebekah Lodge, Lexington, for preparing the lovely dinner for the family and friends.

We wish to thank our dear friends and relatives for their many acts of kindness and expressions of sympathy at the time of our great loss and sorrow. Thank you for the beautiful floral offerings, the many cards and letters, for food brought to our house and to the church, the many prayers said in our behalf, the contributions to the church in memory of Larry, the donations to other worthwhile funds and for the money given to me in my time of need.

May God's love and mercy be with each and every one of you.

Mrs. Larry Cook and family

I want to thank the voters of Morrow County for the confidence placed in me in the recent election for Port Commissioner.

I have always been interested in the development of our Morrow County and in particular the potential and growth of the North part of the county.

One thing certain, I

shall continue to serve in every capacity to the best of my ability.

Oscar Peterson
