Mustangs win Wallowa 12 way

Heppner's thinclads are fulfilling a promise, a promise to the rest of Eastern Oregon that the Mustangs are a powerhouse on the track and in the field.

They helped make believers of 11 other schools Saturday, besting a field of Wapati league reps in the Mike Halloran Invitational in Wallowa.

The Mustangs outdistanced the 12 team field with but a single first place. Depth, in the form of five seconds and five thirds turned the trick for the winning Mustangs.

Heppner was first with 50½ points on what HHS Coach Dale Conklin termed a "super day with some super performances." Second place went to hosting Wallowa at 44½, followed by Elgin and Enterprise with 38½, Joseph at 31½, Union 21, Imbler 19½, Pine Eagle 13, Prairie City 7, Powder Valley 1, Ukiah 0.

As far as Dale Conklin is concerned, Heppner is the Wapati champion, besting the league's track and field programmed schools.

It was a day of personal bests where one Heppner school record tumbled and another was equalled.

Dave Allstott flew over the high jump bar, 6-4½ feet off the ground. It established a new school mark, cracking the one set in 1975 by Dave McLeod at 6-3. Allstott's record was good for one of five second places.

Another second tied the school record in the premiere sprinter's dash. Carl Christman, a late starter this spring, screamed 100 yards in 10.2, tying the clocking of Ed Howard from 1962. Bryan Marlin ran 10.3 for third.

The only first came via the strong arm of Marty Smith.

who ejected the shot 46 feet, bettering second place by almost five feet.

Other personal bests highlighted the triumph. Behind Allstott in the high jump, Heppner flexed their depth muscles with a 6 foot leap by sophomore David Piper.

Marlin's 10.3 in the 100 was a personal best and Mike Jones' fifth place finish in the 220, in 24.2, was a best.

First place, plus Heppner finishes, follow:

Shot: Marty Smith (H) 46; Disc: Roger Huffman (U) 128-2, Smith fourth 118-1½; High jump: Jim Livermore (PC) 6-5½, Allstott second 6-4½, Piper third 6; 440 yard relay: Wallowa 47., Heppner second 47.5; Javelin:
