TAX EXEMPT STATUS: Interest on the bonds, in the opinion of bond counsel, is exempt from taxation by the United States under present federal income tax laws and from personal income taxation by the State of Oregon under present state law.

BEST BID: The bonds will be awarded to the responsible bidder whose proposal will result in the lowest net cost to the District. The successful bid will be determined by computing the total amount of interest which the District would be required to pay from the date of each bond to its respective maturity date at the coupon rate or rates specified in the bid assuming no bonds are called prior to maturity, less premium offered, if any. The purchaser must pay accrued interest, computed on a 360-day basis, from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

BID CHECK: All bids must be unconditional and accompanied by a certified or cashier's check on a bank doing business in the State of Oregon for One Thousand Four Hundred Dollars (\$1,400) payable to the order of the District to secure the District from any loss resulting from the failure of the bidder to comply with the terms of its bid. In addition, bidders are requested to supply the total interest costs and net effective interest rate, based upon the aggregate interest cost, if its bid be accepted, that the District will pay upon the issue if the bid is accepted. Such information shall be considered as informative only. Checks will be forfeited to the District as liquidated damages in case the bidder to whom the bonds are awarded shall withdraw its bid or fail to complete its purchase in accordance with the terms thereof. No interest shall be allowed on the deposit but the check of the successful bidder will be retained as part payment of the bonds or for liquidated damages as described above. Checks of the unsuccessful bidders will be returned by the District promptly after award of bid.

RIGHT OF REJECTION: The District, by its Board, reserves the right to reject any or all bids.

CUSIP: CUSIP numbers will be imprinted upon all bonds of this issue at the purchaser's request and expense. An improperly imprinted number will not constitute basis for the purchaser to refuse to accept delivery.

NO LITIGATION: At the time of payment for the delivery of said bonds, the District will furnish the successful bidder a certificate that there is no litigation pending affecting the validity of the bonds.
