Pool plans full slate

The Heppner city swimming pool will begin a full schedule of operation next week with programs designed to serve a wide variety of community needs for water safety, competitive swimming and diving, and recreation, Tom Franks, pool manager, said.

Franks said registration for swimming and diving lessons will be taken at the pool from 1 p.m. to 5 p.m. now through Sunday. Classes for beginners, intermediates, swimmers, junior and senior life saving, diving and water safety instruction and beginning water ballet, will be offered based on community needs.

New to the schedule this year will be offerings of special hours for mother and tot swims, adult swimming, special time periods for senior citizens and diving lessons, along with the standby programs for the Friday night teen swims and ten hours each week for private party or group reservation swims.

The basic schedule calls for up to 60 hours of general public access to the swimming pool along with 25 hours for the swimming team.

"We plan to get every minute of use out of the pool that is humanly possible in keeping with the needs of the community and the budget for pool operation," Franks said.

This week, through Sunday, the pool is open from 1 p.m. to 5 p.m. weekdays and from 1 p.m. until 6 p.m. Saturday and Sunday. Swimming team practice and organization will begin at 7 a.m. Thursday and Friday and again at 7 a.m. Monday.

The tentative schedule, again based on community

response, will begin Mondays with a split day of operation. From 7 a.m. until 10 a.m. the swimming team will have one of their heavier workouts of the week.

From 10 a.m. until 11 a.m. there will be a swimming period for senior citizens. A similar senior-citizens-only time period will be scheduled from noon to 1 p.m. on Wednesdays and Fridays when the only other activity will be a diving class. Season cost to senior citizens for the three hours plus access to the 1 p.m. to 5 p.m. general swim periods will be at the student ticket rate of \$15.

The pool will be closed Monday afternoon for maintenance followed at 5 p.m. with a second session of the swimming team.

On Tuesdays activity gets underway at 7 a.m., with swim team practice. Swimming and diving lessons of all types will be held from 10 a.m. until 1 p.m. Tuesdays through Saturdays. The three one-hour sessions will cost \$5 for two weeks.

Diving will be held during the noon hour to free the pool for senior citizens on Wednesday and Friday and for a special mother and tot swim on Tuesdays, Thursdays and Saturdays. Cost for the mother tot swim will be at the \$15 student rate for mothers who are heads of households. Admission to this swim period can also be gained under a family season ticket good also for the 1 p.m. to 5 p.m. general swim sessions.

On Tuesdays, Wednesdays and Thursdays from 7 p.m. until 9 p.m. a special swim

period for adults, 21 and older, will be held. Admission is gained by season ticket or \$1 at the gate. Senior citizens are also welcome to swim at this time on the student rate ticket or with a 50 cent admission fee.

Swimming team will practice Tuesday through Friday from 5 p.m. to 7 p.m. These hours and offerings generally round out the tentative

pool schedule on Tuesdays through Fridays except for the teen swim, which will be held from 7 p.m. until the pool is closed at the discretion of the manager. This swim will be by season ticket or \$1 at the gate and is limited to persons ages 13 to 19. Water basketball, pool tag and other contests will be allowed within the limits of personal safety.

On Saturday, the lesson schedule will continue from 10 a.m. to 1 p.m. with general swim from 1 p.m. to 6 p.m. Sunday the public swim is from 1 p.m. to 6 p.m. The hours of 6 p.m. to 9 p.m. Saturday and 6 p.m. to 9 p.m. Sundays are available for special group parties based on the payment of \$20 per hour, two hour minimum.

It should be stressed that the special group swim periods for adults, senior citizens, mother and tot, teens, as well as lessons offered will depend on community need.

"We will open the pool to one mother and tot or one senior citizen. However, for night activity the use must pay for the extra services of a limited staff of guards. If we see 20 or more people turn out we will provide the service," Franks

said.

"If the response is poor we will shift to another program, accept party reservations for the nights in question or send the guards home for some sleep. We plan to teach as many persons as possible to swim and see the pool in use to our physical limits between now and the end of August," Franks said.

All persons desiring to make use of the pool are asked to purchase season tickets at city hall this week and register for lessons and special swims so that a complete schedule can be announced next week.

Ten or more persons are required to schedule sessions for the Red Cross course leading to qualification as a Water Safety Instructor.

Story hour Monday

The first session of this year's Children's Story Hour will be held at the library Monday, June 20, beginning at 10 a.m.

The series is sponsored by the American Association of University Women and is open to all children ages 3-8. A special puppet show presented by the Cub Scouts will highlight the June 20 session.

The story hours will continue each Monday through Aug. 15 and will take place either in the library's Children's Room or in the park by the building. A book check out time for the children will be provided after each session.
