

## Irrigon news

•Francis Rose Wilson •922-3352

Gladys Hobbs has retired from teaching at A.C. Houghton Elementary School, after having taught 16 years in Irrigon and 16 years in Kansas. A.C. Houghton is the North Morrow County Grade School for the communities of Irrigon and Boardman. Mrs. Hobbs taught fourth grade.

She came to Irrigon as Gladys Hughes. Here she met and married Floyd Hobbs, then a widower with a growing family. They have 2 teen-age daughters at home presently.

A retirement party was given for Mrs. Hobbs by the school faculty on May 19, at the Columbia Inn in east Umatilla. An engraved silver bell was presented to her as well as a scrapbook with personal notes and mementoes from her students, former students and teachers that she had been associated with. Many expressed their appreciation for her cheery laugh and positive attitude

towards education. She will be remembered by many as an excellent teacher.

The Parents' Club gave a reception for Mrs. Hobbs and for Maxwell Jones, who will retire as custodian in September. The communities of Boardman and Irrigon honored them with many tributes and well wishes for their futures. Each was given a money tree.

Quite a number of the Hobbs' relatives attended the reception, including: Mr. and Mrs. Raymond Hobbs of Baker; Mr. and Mrs. Floyd Willis and Eldon Hobbs of North Powder; Mrs. Chuck Moeller of Heppner; Mr. and Mrs. Allen Hobbs of Klamath Falls; Byron Hobbs of Portland.

Mrs. Laverne Partlow's third grade class entertained at the reception with a square dance. Denise Brownlee, a sixth grade student, played a piano solo. Michelle Cooley

and Tiffany Mark played a piano duet.

On Monday evening, June 6, Mr. and Mrs. Hobbs, Jyl and Becky entertained the school faculty and their families with a barbecued chicken dinner, served picnic style on the lawn at the Hobbs' home. There were about 50 guests.

Pastor Bob Schmolz announces Vacation Bible School will be June 13 to 17 at the Assembly of God in Irrigon, from 1-3:30 p.m. The theme will be "The King is Coming." There will be classes for all children ages 4 through 12 years. Everyone is welcome.

Mr. and Mrs. Al Partlow drove to Seattle to visit their daughter Sherry, a student at Seattle Pacific College. Sherry and a group of students left for London on Thursday, where they will be studying the Tudor History of England. Sherry and her friends expected to attend many of the festivities commemorating the 25th anniversary of the reign of Queen Elizabeth.

The 4-H Macrame Club met for their first meeting last Thursday, June 9, at the Irrigon Park on the Columbia River. Francine Evans, the leader, said there were five members present, but she

hoped more would join later.

The club meets every Thursday at 1:30 p.m. at the park to make plant hangers or wall hangings. It is a summer fun club and members will be excused if their family goes on vacation.

Donald Richards of Irrigon attended the Eastern Oregon Livestock Show at Union, June 8 to 11. He placed first in

F.F.A. Senior Swine Showmanship and first in Individual Herdsmanship, third in Heavyweight market hogs and fourth in Medium weight hogs.

Warren McCoy, Morrow County Commissioner, was one of several from this area who rode the Amtrak train from Portland to La Grande on its first run.

## Ione news

•Eva Hamlett •422-7557

"The Alpha and Omega of strawberries" was presented by Pat Pettyjohn at the June meeting of the Ione Garden Club at the home of Wilma Martin in Condon, on June 8. The strawberry is known to have been grown by the Romans and was first cultivated in the 16th century. The two major types are the standard or June-bearing, which has only the one crop and is the best for commercial growing; and the ever-bearing, which bears more than once during the season.

Strawberries will grow in most soils that have good humus and drainage. They do not like to be grown on soil that has raised potatoes, tomatoes or grass. Since they have shallow root systems, they need a constant water supply of as much as one inch per week. They also need good air circulation. Plants may be grown in rows, hills, or in a strawberry barrel.

The Flag Observance was presented by Judy Osmin with her son, Derek, holding the flag. The group voted to present a Sunset Western Garden Book to the Ione Public Library, as a memorial to Fannie Griffith, a long time Garden Club member. Janet Wilson was a guest for the day.

The A.A.U.W. and the Topic Club will sponsor a story time at the City Library this summer for pre-school and primary children. It will be held each Tuesday at 3:30 p.m.

Betty Rietmann will organize the story times and anyone interested in helping with telling or reading stories is encouraged to contact her.

Summer library hours are from 2 to 4 p.m. on Tuesdays and Fridays. The first story time will be Tuesday, June 21, at 3:30 p.m.

The story times are designed to encourage young children to enjoy books, and children are encouraged to check out books while at the library. It is hoped that parents will also take advantage of this time to select books from the library for themselves.

Summer school started on June 9 and will continue until July 1. Driving school buses are Kristy Crowell, Morgan

Route, and Adon and Eva Hamlett on the Lexington route.

Mrs. Adon Hamlett spent last weekend at the Dalles visiting with Mrs. Henrietta Arends.

A number of friends, relatives and employees gathered at Beecher's Cafe last Friday

evening to honor Beecher Emert with a surprise birthday party. He was presented a cake decorated in green and white, with "Happy Birthday Beecher" inscribed on it, and a gift certificate. Host and hostess for the event were Mr. and Mrs. Don Ball, and Mr. and Mrs. Cliff Aldrich.
