YOUR CO-OP WARRANTY

CO-OP RADIAL WARRANTY

Pacific Supply Cooperative, Portland, Oregon, guarantees to the original buyer of Co-op Steel Radial Wide Tires, Mark X Steel Radial Tires and Co-op Radial Wide Tires purchased through its warehouse by local cooperatives, for resale, to users as follows: (Note exceptions)

Such Co-op Radial Tires used in normal passenger car service are guaranteed to provide the original purchaser with coverage against the following:

1. Tread wear out for 40,000 miles
2. Materials and workmanship for 40,000 miles
3. Road Hazards for 40,000 miles

This 40,000 mile guarantee will assure the original purchaser of a minimum of 40,000 miles of the equipment on which it was originally installed. Should the tire wear out or fail due to material, workmanship or road hazards within 40,000 miles and is irreparable, an allowance will be made for a new tire of the same size and description, charging the original buyer only for the mileage received, prorated on 40,000 miles, plus freight and mounting charges, if any.

CO-OP PASSENGER WARRANTY

Such passenger tires are guaranteed to be free from defects in material and workmanship and against road hazards during the lifetime of the original tread design. Should such passenger tire become unfit for further service, it will be replaced with a new tire of like size and type, charging original buyer only for that portion of the original tread design worn off the unserviceable tire, plus freight and mounting charges, if any.

CO-OP TRUCK TIRE WARRANTY

Such truck tires are guaranteed to be free from defects in material and workmanship and against road hazards during the lifetime of the original tread design. Should such truck tire become unfit for further service, it will be replaced with a new tire of like size and type charging original buyer only for that portion of the original tread design worn off the unserviceable tire, plus freight and mounting charges, if any.
