

Legion plans potluck

Heppner American Legion Post No. 87 and Auxiliary will hold their regular meeting Monday, Sept. 19 at 7 p.m. at the Legion Hall. There will be a potluck dinner with the meat furnished.

After the reports of the summer's activities, plans will be made for the fourth annual Hunter's Breakfast to be held all night, Sept. 30. District 6 will have visitation from state officers at the

Ione spellers take honors

Two Ione students finished in the top five in their divisions during the State Spelling Bee competition held Sept. 3, at the

while Denny Starr finished fifth among 22 top spellers in the elementary division.

Both had earned a trip to the state contest by winning their respective divisions at the Morrow County Spelling Bee held at A.C. Houghton Elementary Schools last April.

State Fair in Salem.

In the 11th grade division, Natalie Tews finished third among 15 county champions

Soroptimists plan upcoming events

Guests at the Soroptimist luncheon meeting last week were Robert Byrnes, administrator of Pioneer Memorial Hospital and Carmen Djella, the new supervisor of nurses.

Byrnes spoke of the need for upgrading services and renovating facilities at the hospital. Djella is a newcomer to the area, coming here from Minnesota with his wife and small daughter.

It was reported the Soroptimist picnic sponsored for the nursing home was hugely enjoyed by all and plans were

School Board meets Sept. 19

The next regular meeting of the Morrow County School Board will be held at the Lexington Office Monday, Sept. 19, at 8 p.m.

The Board will hear progress reports on projects to light the high school football

fields at Riverside and Ione High Schools. Both of the projects involve the community and local Lions Clubs.

The Board will adopt a budget calendar, consider recommendations from the teacherage committee on rental increases, consider adjust-

ments in professional contracts and will hear a report on the new legislation requiring districts to hold a tax base election.

The District Auditor will be present to discuss the District Audit.

Swim schedule announced

The Heppner Swimming Pool will close for the season at 4:30 p.m., Sunday, Sept. 18. Public swimming sessions remaining this year include: Wednesday, Sept. 13, from 6:30 to 8:30 p.m.; Saturday, Sept. 17, from 1:30 to 4:30 p.m. and Sunday, Sept. 18, from

1:30 to 4:30 p.m. Evening sessions scheduled until Tuesday, Sept. 20 have been cancelled because of high heating oil and operating costs brought on by the cool weather. A full report on finances and

swimming programs will be presented to the City Council at the next public meeting. A summary report, along with information for those who took swimming lessons this year, will appear in an upcoming edition of the Gazette-Times.

Adult Education & Community Service Fall 1977

WHO MAY ENROLL? Any adult regardless of age, previous schooling or experience, may enroll in any class offered by BMCC.

MINIMUM ENROLLMENT To insure that a class operates on an economical basis a minimum of 10 persons is required for a class to be offered. If a class is canceled students may transfer or have fee refunded.

WHAT IS THE COST? Fees vary according to type & length of class. All tuition & fees are payable at the time of registration. No student is enrolled in class until all fees have been paid. Refunds are not made after the second class period.

ENROLLMENT PROCEDURES Students are requested to preregister for all classes since many classes are limited in enrollment. To preregister, fill out the coupon below. Send the coupon with a check for the cost of the class to: BMCC, P.O. Box 100, Pendleton, 97801. Preregistrations must be received no later than Sept. 23 or students may register for classes at first class meeting if an opening exists. A minimum of ten students is required for each class. Your check will be returned if the class is full.

NANCY BROWNFIELD is serving as our coordinator in the Heppner area. She may be contacted by phone during the following hours: Monday - Friday 9-11 a.m., 2-4 p.m., 7-8 p.m. Her college phone in Heppner is 676-5039.

HEPPNER—LEXINGTON—IONE Course Descriptions

GEOGRAPHY OF OREGON The course studies the special associations of physical and cultural phenomena as they relate to Oregon. The purpose of the class is to give students an understanding of the cultural and physical landscapes of the state.

PAINTING Introduction in the use of oil color and other painting media.

BEGINNING TENNIS For persons with basic knowledge and skills in tennis who wish to improve their skills.

ADVANCED CAKE DECORATING Advanced techniques of flowers and borders. The flowers are those requiring more experience and pressure control for formation on or in specially designed nails for natural contour.

BEGINNING PHOTOGRAPHY This course is for the beginning and amateur student of photography. Theory and laboratory procedures will be combined to develop a working knowledge of the basic prin-

ciples and fundamentals of general photography.

TOLE PAINTING ON CANVAS Prerequisite: Beginning Tole painting.

BASIC SPOKEN SPANISH Beginning Spanish taught in the speaking-listening method. Emphasis on pronunciation and simple sentences. The course will provide opportunities for practical conversation on everyday topics, current events and cultural materials.

BEGINNING SEWING Beginning instruction of clothing construction, including fabric preparation, reading a pattern, layout, and basic sewing techniques.

BEGINNING GOLF A four-week course for adults with limited prior golf experience.

BEGINNING GUITAR Learning to play simple guitar solos by reading music notation for guitar.

VOLLEYBALL Course will include warm-up exercises, proper play, strategy, rules and tactics of vollyball.

HEPPNER—LEXINGTON—IONE HERMISTON SELECTED COURSE DESCRIPTIONS

BASIC HOME LANDSCAPING Course would be helpful whether one plans to hire a professional landscaper or do the work. A course in basic principles of landscaping. Items covered include such things as inventory of site, proper uses of trees, shrubs, groundcovers and hedges (planting for a purpose), landscaping for both beauty and function, remodeling for easier maintenance, and drawing one's own simple plans.

BASIC LIFE SUPPORT—CARDIOPULMONARY RESUSCITATION Skill development in recognizing signs of respiratory and cardiac arrest, and in performing cardiopulmonary resuscitation. Certificate upon completion.

INTRODUCTION TO FILM (Film Series) The purpose of the course is to develop visual literacy. Feature films will be viewed weekly and discussed in terms of aesthetics, society, history and directors.

GENERAL PSYCHOLOGY A survey of the basic methods and principles of psychology. Focuses on the biological basis of behavior, behavior modification, sensory deprivation, perception, motivation, and human sexuality.

SECRETARIAL WORKSHOP The course will include models, examples, handouts, and movies to demonstrate the latest trends in letter styles, placement of letter parts, criteria of effective letters, and human sexuality.

TRACING YOUR FAMILY TREE The beginning genealogist should become familiar with available local resources and learn methods of obtaining, recording and filing information for easier use of research data.

ELEMENTARY ALGEBRA The student will study and demonstrate knowledge of fundamental concepts of algebra including sets, variables, and sentences; integers, rational numbers, and real numbers; fractional expressions and polynomials; and solving sentences.

BUSINESS MATH A study of compound interest and discount, annuities, sinking fund and amortization, consumer credit, insurance, stocks and bonds, graphs and tables.

AMERICAN NATIONAL GOVERNMENT The course will involve an examination of a version of elite theory and its explanation of how public policy decisions affect the lives of all Americans are made. Elite theories will be contrasted with the prevailing theoretical perspective of pluralism.

WRITING FOR PUBLICATION Techniques of getting articles, short stories, and poems published. Writing articles will be part of class work. How to approach publishers with manuscripts, layouts, and financial considerations.

STAINED GLASS An introduction to working with stained glass using both lead came and copperfoil methods. Basics of pattern development, glass cutting, soldering, and use of tools will be emphasized.

WELDING The course introduces set-up and operation of oxyacetylene, cutting, brazing, welding; as well as flat, vertical up and vertical down arc welding.

INTERMEDIATE TOLE Course will cover four areas: designing and cutting tole boards, rustic hand carving and printing, miniature painting and general painting. Requires some previous tole painting.

HEPPNER—LEXINGTON—IONE BOARDMAN—IRRIGON COURSE DESCRIPTIONS

PRINCIPLES OF ACCOUNTING Introduction to field of accounting; techniques of account construction; preparation of financial statements; application of accounting principles to practical business problems; proprietorship studies from standpoint of a single owner,

partnership, and corporation.

BASIC SPOKEN SPANISH Designed to meet the needs of those who must communicate with Spanish speaking workers and those who plan to travel in Spanish speaking countries.
