

Emergency hunt possible... Lots of deer await hunters

The special doe hunt last weekend was termed successful by all involved and upcoming hunting seasons appear to offer the best of many years.

Glen Ward, Oregon Department of Fish and Wildlife, said emergency hunt rosters are now being compiled if they are deemed necessary later this year.

"We had about 80 per cent of the hunters bagging their animal by noon of opening morning last weekend," said

Ward, "and there's still a lot of animals out there."

Ward and Oregon State Police Game Officer Vic Groshens both commented that very few problems with hunters were encountered.

"It was one of the best opening days I've seen for awhile," said Groshens.

Ward noted that although rains came recently, the fire danger is still extremely high and hunters are asked to be extra careful, observing rules in the game manual.

In order to be eligible for the emergency hunt, hunters must get their name on the lists ahead of time. To apply, hunters must be 18 years of age or older and willing to participate on very short notice. Applications should be made by postcard to the Department of Fish and Wildlife, P.O. Box 3503, Portland, Oregon 97208. The words EMERGENCY HUNT should be written across the top of the card. On the card should be the applicants name and address plus telephone number where he can be reached. Also, each card should have the name of the county in which he is interested in hunting.

"There's no assurance that an emergency hunt will come off," said Ward, "but there is an abundance of animals and some acute damage problems occurred this year in agricultural areas, which is one major basis for such a hunt."

The team of Lowell Gribble and Rosemary Parks and the team of Doug Gunderson and Vi Lanham tied for the second

low gross honors with a score of 33. Neil Parks won both the KP award and the long drive prize. Louis Carlson and Martha Peterson came in with the high gross. The last Bar-b-cue will be October 2.

Heppner JVs stand at 1-1

The Heppner junior varsity football team evened its season record at 1-1 after a 16-0 shutout at the hands of Oregon Trail Monday.

The JVs had begun the season with a roust of their own in posting a 6-0 win over pilot Rock the previous week.

In that game Heppner's lone score came on a 25-yard return of an interception by Bryce Powell. The team

picked up 225 in total offense and Coach George Koffler cited the play of Eric Clow, the team's leading ground gainer and a defensive standout.

In the second game loss, Clow again played well, racking up six tackles and eight assists. Freshman quarterback John Bier directed the offense which gained 117 total yards.

HUNTERS: PLEASE

RESPECT THE RIGHTS OF OTHERS

← All that can be ruined, gone in a flash unless you care!

If camp fires are permitted on lands where you plan to hunt, then make sure the fire at your hunting camp is built in an open spot which is free from flammable material such as dry grass or forest litter. Camp fires are not to be left unattended, and must be completely extinguished before leaving your camp to hunt.

Fires are not permitted outside your camp area during the closed fire season. The season will not end until general statewide rains occur and an official proclamation is issued terminating the fire season.

If you smoke in the woods do so in a safe place. Do not smoke while traveling on foot or horseback. Stop, clear a spot, then rest and enjoy your smoke. Don't flip cigarettes and cigar stubs or pipe ashes. In the spot you have cleared, grind the ashes or snipe into the earth with the heel of your shoe.

District Foresters, Forest Rangers and Range Managers are asking your cooperation again this year to protect your hunting areas and to KEEP OREGON GREEN.

Good luck. Hope you get your buck, fellow hunter.
