more than 100 yards as Bob Smith and Joedy Marlatt were cited for their defensive play. Last week, for the third straight time, lucky seven showed up on Heppner's side of the board for another win—this time a 7-0 shutout of Umatilla. Bryce Powell again provided the Mustangs only touchdown—a 44-yard interception return of a Viking pass in the second quarter. Heppner's defense held Umatilla to under 100 yards total offense while churning out 117—all on the ground. As has been the case all season, an excellent punting job by Marlin figured heavily in the final outcome.
