Public Notices

NOTICE
Notice is hereby given that the Rural Electrification Administration has prepared a Final Environmental Impact Statement in accordance with Section 102(2) (C) of the National Environmental Policy Act of 1969, in connection with the proposed use of REA financing by Pacific Northwest Generating Company, P.O. Box 48, Hermiston, Oregon 97838, for a 10 percent share of the Boardman Coal Plant, a 550 MW coal-fired, steam-electric generating station near Boardman in Morrow County, Oregon, and associated transmission lines all in the State of Oregon.

Additional information may be secured on request, submitted to Mr. Richard F. Richter, Assistant Administrator—Electric, Rural Electrification Administration, U.S. Department of Agriculture, Washington, D.C. 20250. The Final Environmental Impact Statement may be examined during regular business hours at the offices of REA in the South Agriculture Building, 12th Street and Independence Avenue, S.W. Washington, D.C., Room 1268, or at Pacific Northwest's office at the address indicated above.

Copies of the REA Final Environmental Impact Statement have been sent to various Federal, State, and local agencies, as outlined in the Council on Environmental Quality Guidelines. In addition, copies are available for public review at the Central Public Library, 801 S.W. Tenth Avenue, Portland, Oregon; the Hermiston City Library, 213 East Gladys Avenue, Hermiston, Oregon; and the Boardman City Hall, 206 Main North, Boardman, Oregon.

Final REA action with respect to this matter (including any release of funds) may be taken after thirty (30) days, but only after REA has reached satisfactory conclusions with respect to its environmental effects and after procedural requirements set forth in the National Environmental Policy Act of 1969 have been met.
