

## Mollahan, Kerr are Girls State candidates

Girls Staters

Heppner High School juniors Jackie Mollahan (l) and Cindy Kerr will travel to Salem in June as Girls State delegates, sponsored by the Heppner American Legion Auxilliary.

Cindy Kerr and Jackie Mollahan, both juniors at Heppner High School, have been selected by the Heppner American Legion Auxilliary to participate in the Girls State program this summer.

Cindy, daughter of Mr. and Mrs. Harold Kerr, list varsity golf and basketball among her activities as well as the high school band and membership in the Girls Athletic Booster Club. She is also sports editor of the Hehisch and is currently working on the committee to elect Roger Martin governor. Jackie, daughter of John and Mickey Mollahan, plays varsity volleyball and basketball, is a member of the National Honor Society, the Girls Athletic Booster club and the dance team. She has served as secretary of the Heppner FFA chapter this year and was recently elected student body president for the coming school year.

The two will be attending Girls State on the campus of Willamette University in Salem during the week of June 11-16. Girls State offers high school juniors throughout Oregon an opportunity to learn more about state and local government by establishing a mini-state and electing officers to make decisions.

## Final playday held by Wranglers Sunday

## Sunday morning youth program at Hope Lutheran

Two programs for young children have been implemented at Hope Lutheran Church, Heppner, during Sunday morning worship service.

There is a nursery arrangement for children up to three years of age, and a newer program, Children's Church, which has been started for those from three years through kindergarten.

Children's Church is a worship time which includes stories, finger plays, songs, art and prayer in which the children can participate.

The two women who have charge of these programs are both certified teachers. Linda Bjella supervises the nursery, and Judy Maas supervises Children's Church.

Sunday worship at Hope Lutheran begins at 11 a.m.

## Luncheon honors HHS senior girls

by Justine Weatherford  
Heppner High School's graduating girls and their mothers were honored by the Soroptimist Club at luncheon in the Episcopal parish hall Thursday noon, April 20.

Two scholarships were presented by Clista Venard, Chairman of the club youth committee. Both 1978 winners indicated that they are interested in health area careers.

Cathy Palmer, daughter of Mr. and Mrs. Roger Palmer of Eight Mile was awarded the academic scholarship which she will use at Southern Oregon college where she will begin to prepare to become a physical therapist.

Lori Rhea, daughter of Mr. and Mrs. Carl Rhea of Lexington, was presented with the vo-tech award. Her goal is to become a dental hygienist and her post-high school study will begin at BMCC.

The class motto "Spread Your Wings, Soar and Explore" was mounted above the head table.

Dr. Wolff, who has certainly spread his wings and is noted for excellence in several fields, introduced the interesting arrangement of shells from his collection and lovely

narcissi from his garden which were displayed on the long table centering the room.

He mentioned that the Chinese especially honor the narcissus, considering its beauty to be food for one's soul, while many shells provide food for bodies throughout the world.

"Hundreds of thousands of species of shells have been collected; the most outstanding American collection belongs to the Smithsonian Institute, and the world's finest collection belongs to the Emperor of Japan," Wolff said. "I collected many of my shells when I was stationed in the Caribbean. Modern diving equipment is making the recovery of many more, rare shells possible."

The salad buffet luncheon was prepared and served by the women of All Saint's Episcopal Church.
