### Degree of Honor Lodge busy

Members of the Heppner Degree of Honor Lodge held several activities in April and May.

The State Director Bea Clausen, Bend, and seven members of Magnolia Lodge No. 34, Pendleton, were in attendance. Edna Bailey was initiated and Bernice Nash was presented her 25-year pin. A patriotic theme was carried out at the refreshment table and around the room.

### Oregon roads face ruin Measure 5 vote critical

Oregon roads—many of them old—are losing a disastrous battle against inflation, weather, pounding traffic, and lack of funds to keep them repaired and maintained.

**Measure 5—YES can save roads**

Passage of Measure 5 will accomplish two vitally important road-saving tasks:

1. Measure 5 DEMANDS that highway funds be used FIRST for repair and maintenance to reverse deterioration.
2. The modest 2c gas tax increase and the fair 12 percent weight-mile tax increase for trucks and buses will assure funds for vitally necessary repair and maintenance.

Highway experts warn that road deterioration is serious. If road-ruin is not reversed now, the cost to replace roads may be almost prohibitive within a few years. Already maintenance and operation costs are up 73% since 1970.

Our roads need HELP.
