Oaks named swim coach

Phil Oaks, a physical education major specializing in aquatics, has taken the helm of Heppner's summer youth swim competition program.

Oaks, who has coached swim teams in Roseburg and The Dalles, has been holding shorebound workouts this week, while waiting for the

Phil Oaks

municipal pool to be filled on Friday. A total of 27 youngsters turned out for the initial practice session.

"It's a good turnout, and I hope they all stay," said Oaks. The first meet of the season is tentatively scheduled for Milton-Freewater on June 24.

Oaks said he welcomes all parents to watch practice sessions, and stated that he plans to concentrate on working with the younger swimmers, developing style and technique.

"The kids who turned out range from 7 to 17," he said,

noting that even younger swimmers are welcome. "If they're potty trained, I want 'em," he joked.

The Heppner swim team will be able to hold practices at the city pool prior to and after the hours it is open to the public. The public opening of the pool is scheduled for Saturday.

Oaks has been a swim meet competitor for 12 years in his home town of The Dalles, and swims the 50 yard freestyle for Mount Hood Community College in Portland.
