Entry fees of \$5 will be charged for the program's events, which will include pony bucking, calf bucking, goat tying, pole bending and barrel racing. All contestants will also be charged \$1.50 for insurance fees.

A rodeo dance will be held Saturday night, and snack stands will be open at the rodeo grounds during performance times. No admission will be charged to spectators.

Applications due soon for controlled hunts

Application deadlines are nearing for September controlled hunts for antelope and elk, the Oregon Fish and Wildlife Department announced.

Applications for the antelope hunts must be received at the Fish and Wildlife Department's Portland office no later than July 5. For controlled hunts of other big game species, the deadline will be

July 18.

Fees of \$1 per application will be required this year to cover the cost of processing controlled hunt applications. If two names are submitted in a party application, the fee will be \$2.

Controlled hunt regulations and application cards have been mailed to license agencies throughout the state.

Besides the appliances you use, how you use them makes considerable difference in energy costs of food preparation in the home. Data from research is the basis for the following energy conservation tips: Complete oven meals of four to six items are most efficient. To bake six items at one time takes only one-third more energy in a gas oven, and two-thirds more in an electric oven, than baking just one item.

Microwave ovens are more efficient for reheating or for cooking small quantities. For these they use 30 to 70 per cent less energy than regular ovens. Preparing an entire meal in a microwave, however, where each item must be cooked individually, consumes more energy than if all items were cooked at one time in a conventional oven.

Your portable appliances

Energy saving tips given

are energy savers in most instances. Portable ovens, frypans and broilers will use from nine to 44 per cent less energy than large ovens or broilers when baking or broiling in small quantities. With summer coming on, you may

want to get out those portable appliances and use them. If you have them and are not using them, that is another waste of energy, for energy and resources were used in their making.

SAMPLE SPECIAL ELECTION BALLOT FOR PIONEER MEMORIAL HOSPITAL LEVY

To be held Tuesday, June 27, 1978 from 8:00 A.M. to 8:00 P.M.

Mark a Cross (X) or a Check Mark (✓) in the voting square after the word "YES" or after the word "NO" for the answer voted for

REFERRED TO THE PEOPLE BY THE COUNTY COURT OF MORROW COUNTY, OREGON

PROPOSAL: Shall Morrow County be authorized to levy and collect taxes in the sum of \$190,082 outside the limitation imposed by Article XI, Section 11, Oregon Constitution, for the fiscal year commencing July 1, 1978, and ending June 30, 1979, these said funds to be used to balance the 1978-79 budget for the county-owned Pioneer Memorial Hospital?

EXPLANATION OF BALLOT QUESTION

The budget of the county-owned hospital has, historically, been balanced by a combination of patient revenues and tax levies. In FY77-78 only, the hospital operated without any taxes, relying instead on reserve funds which are now depleted. Tax support is necessitated by the fact that patient-generated revenues will not be sufficient to pay escalating costs for supplies, materials, equipment, personnel and improvements dictated by regulatory agencies. The \$190,082 tax will require a levy of approximately 54¢ / Thousand assessed valuation and is projected as the minimum necessary to maintain satisfactory in-patient, emergency and nursing-home care services. The only funds for the hospital contained in the county's proposed budget are those being voted on in this ballot. If this measure is approved, the operating budget to be financed by the local taxes will, then, be \$190,082 greater than last year.

TAX LEVY OUTSIDE THE CONSTITUTIONAL LIMITATION

PROPOSAL: Shall the County of Morrow, Oregon, be authorized to levy for the fiscal year 1978-1979, beginning July 1, 1978, the sum of \$246,655 outside the 6 percent limitation set forth in Section 11, Article XI of the Oregon Constitution?

EXPLANATION OF BALLOT QUESTION

The 1977-78 tax base was \$308,971.00. If this levy is approved the Morrow County General Operating Budget will be \$265,193.00 more than the Operating Budget financed by local taxes for the current fiscal year.

The reasons for increasing the tax levy are: Increased costs of materials and services; using Revenue Sharing money for Capital Improvements rather than operating budgets; and maintaining the present level of County services

SAMPLE BALLOT FOR

BLUE MOUNTAIN COMMUNITY COLLEGE DISTRICT Held In THE COUNTIES OF UMATILLA AND MORROW, STATE OF OREGON

ELECTION TO BE HELD ON TUESDAY, THE 27th DAY OF JUNE, 1978

VOTE "YES" OR "NO"

Mark a Cross (X) or Check (✓) inside the voting square for the answer voted for. If you wrongfully mark, tear, or deface the ballot, return it and obtain another from the election officer.

QUESTION SUBMITTED TO THE LEGAL VOTERS OF SAID DISTRICT

Tax Levy Outside the Constitutional Limitation Proposal: Shall the Board of Education of Blue Mountain Community College be authorized to levy for the fiscal year 1978-79, beginning July 1, 1978, the sum of \$1,906,673 outside the limitation set forth in Section II, Article XI, of the Oregon Constitution?

Explanation: The college has no tax base, therefore, any tax to be levied by the board must be approved by the voters. The increase over the preceding year is due to inflationary increases in costs of materials, services, salaries, payroll taxes, and the second year of the Associate Degree Nursing Program. Approval of this levy will result in an approximate cost of \$1.66 per \$1,000 True Cash Value, an increase of 6¢ over the current year's levy. When approved, the operating budget to be financed by local taxes for the 1978-79 fiscal year will be \$48,306 greater than that of the preceding year, 1977-78.
