Two teams tied for first place in the three-man team scramble competition. The teams were made up of Larry Munkus, Rod Esseltine and Bob Jepsen, and Jim Miller,

Robb Rush and Ron Carter. Helping Jim Wishart on the men's play were Elmer Palmer and John Edmundson. Muriel Palmer and Pat Edmundson were in charge of the women's play.

The club will be traveling to Condon on July 23. Both men and women will make the trip. A sign-up sheet is available at the clubhouse.

Attention women—sign up for the local tournaments at the clubhouse. More women participating means more fun!

# Dodgers win local Little League title

The IOOF Dodgers won the 1978 Willow Creek Little League championship last week, with a 4-0 win over the Kinzua Giants.

The two teams qualified for the league title by leading the standings during the two halves of league play. The Giants won the second half of the season, with the Dodgers leading the league during the first half.

An outstanding pitching performance by Dodger hurler Gregg Connor, coupled with good fielding, accounted for the Dodger win. Connor struck out 15 Giant batters during the six inning contest.

Despite the Dodger pitching, the Giants outthrew their opponents 5 to 3. Giant pitching and fielding was also tight during the latter innings, with no runs scored by either

team after the second inning of play.

Little League officials believe the Dodger victory marks the first time the club has won the league pennant since the baseball league was incorporated here 20 years ago.

The second half of season play saw the Giants finish first, the Braves second, Dodgers third and Indians fourth.
