Boardman
Park & Rec. Dist.

Resolved: The Boardman Park and Recreation District shall hold an election on November 7, 1978 on the following question:

"Shall the Boardman Park and Recreation District's tax base be increased from \$10,639 for the tax year 1978-79 to \$40,000.00 for the tax year 1979-80?"

"Explanation: The number of people enjoying the use of the Boardman Marina Park has increased tremendously in recent years. The present tax base pays only occasional maintenance and repair at the park. Increased tax revenues will provide a fulltime groundskeeper and the necessary repair parts, supplies and labor to keep the Boardman Marina Park a pleasant recreational area. A full-time attendant may prevent much of the vandalism which has been particularly expensive to the District. The increased tax base will require an estimated tax levy of 9 cents per thousand dollars."

Adopted by the Board of Directors of the Boardman Park and Recreation District at a special meeting held for that purpose on September 15, 1978, at 4:00 pm.
