# State Hospital chaplain will discuss family living at Nov. 18 AAUW meeting

The November meeting of the Heppner branch of AAUW is set for Saturday, Nov. 18, at 11 a.m. at Beecher's Cafe in Ione.

Before the no-host luncheon and brief business meeting, Oregon State Hospital Chaplain, Edward Springman, will speak on Family Living. He is known to many here, as he occupied the pulpit of the Heppner United Methodist

Church one Sunday not long ago.

Edward Springman originally planned to be an engineer. Through high school he was in every sport possible—football, basketball, wrestling. But his physical activity was cut short when he broke his neck in a wrestling accident. Completely paralyzed, life looked mighty hopeless. But through what Springman terms a miracle of God, and with the aid of family, friends and medical staff, he made a remarkable recovery.

Springman knows first-hand the depression that can envelop the severely handicapped. His football coach tutored him until a seemingly hopeless feat was accomplished—"I graduated with my class."

He entered college using a walker. Long hours of physical therapy and great determination enabled him to

graduate from college walking with two canes. Now he's a one-cane man.

Springman's freshman year in college "I felt everyone was looking at me. If so, why not make it pay?" He entered student government, a role he played throughout college.

At graduation he received the outstanding student award and was named to Who's Who Among Students in American Colleges and Universities.

He entered seminary at Claremont, Calif. and emerged an ordained United Methodist minister. He went on to get his masters degree in counseling. His first pastorate was a small church near Salem, while he also served at the state hospital. Two years later he moved to Portland, as pastor of the Cherry Park United Methodist Church and head of the counseling department at Parkrose United Methodist Church.

In 1973 he was named as one of the outstanding young men in America.

An exchange pastorate in New Zealand preceded his arrival at the Pendleton hospital. Springman and his wife Leslie have two young daughters. He will be introduced by Inez Erwin, Branch Vice-President and Program Chairman.

Liz Curtis, Branch President, says that persons who wish to hear Chaplain Springman are invited to come listen along with the AAUW members.

## Candidate for U.S. Senator REPUBLICAN

### Mark Hatfield

Senator Mark O. Hatfield believes that government itself is a major cause of inflation and feels that Congress must say "STOP" to those who want the people to pay for costly programs they neither want nor need. He knows that the people are tired of constantly increasing taxes and wasteful spending which fuels inflation and makes life difficult for old and young alike and intolerable for many retirees on fixed incomes.

During his years in the U.S. Senate, Mark Hatfield has consistently voted against inflationary federal spending. He has voted against every attempt to increase the national debt ceiling and sponsored an amendment that would require a balanced federal budget.

Re-elect Sen.  
Mark Hatfield

Bill Bellamy will work to ease the mass of regulations that almost destroy independent, family-owned business and farms.

Bill Bellamy is a life-long resident of District 55 and will work for our interests. He will be available and he will listen.

## INTRODUCING BONUS II

Now, funds normally idle in your checking account can earn 5% annual interest up to the day you use them. We call this unique plan Bonus II. You'll call it the best checking plan ever!

How it works. It's simple. When you make a deposit to your Bonus II checking account, it's immediately and automatically transferred to a special savings account. Here your money earns 5% annual interest until you write a check. Then only the amount needed to cover the check is automatically transferred back to your checking account. The rest stays in your special Bonus II savings account, earning interest.

How to get started. You may convert your current checking account or open a new Bonus II checking account. At that time, we also open a special Bonus II savings account for you. There's no service charge for

Bonus II unless your savings balance falls below \$2,000 (in which case there is a \$5 monthly service charge to your checking account).

Totally separate. Bonus II is a separate plan all its own. It does not affect your other savings or checking accounts.

Get your money's worth. If you're not earning 5% annual interest on all your funds, you're not getting your money's worth. Come to First National and start earning interest on all your money all the time.
