

Jennifer Wenholtz, Lori Edwards named to Morrow Fair & Rodeo Court

Jennifer Wenholtz of Irrigon and Lori Edwards of Ione will join Queen Debra Palmer as princesses on the 1978 Morrow County Fair and Rodeo Court. Princess Lori, a 16-year old junior at Ione High School is the daughter of Mr. and Mrs. John Edwards. Her interests include volleyball, basketball, football and she was a Homecoming princess at Ione this past year. Lori served as a pennant bearer for the 1977 Fair and Rodeo Court and she hopes to become a physical education teacher following college.

Princess Jennifer is the daughter of Mr. and Mrs. John Wenholtz of Irrigon and is a 16-year old junior at Riverside High School in Boardman. Her interests include horseback riding, swimming, water skiing, bike riding and dancing. She is active in a 4-H horse club, volleyball, basketball,

track, softball and the RHS dance team. Princess Jennifer would like to try her hand at becoming a pilot, then on to a life as a psychologist or social worker.

The announcement of the 1978 princesses came at a meeting of the Rodeo Committee Tuesday evening. The Committee also changed the Morrow County show all-around title qualifications, from the dollar system to a point system.

Rocky Proctor, Rodeo Committee Chairman, said the dollar system created too many inequities because a first place in team roping brought the contestant \$140 while the top cow rider received only \$40. Under the point system, the first six places will qualify for all-around competition with six points for a first place—one point for a sixth place.

Kinzua holdings bring \$1/4 million to Morrow County treasury

Heppner's Kinzua Corporation will pay \$358,540 in property tax assessments for 1978-79, with Morrow County getting the lion's share at \$248,692.

Christmas mail deadlines are set

All Christmas cards and letters should be in the mail no later than Dec. 15 in order to be delivered prior to Christmas Day, the Heppner branch of the U.S. Postal Service suggests.

The local post office also recommends that parcels for West Coast delivery be mailed by Dec. 9, and parcels for the eastern United States be mailed no later than Dec. 5. Alaska and Hawaii-bound parcels should be mailed by Dec. 1. Packages destined for overseas delivery should be mailed by Nov. 29.

Any other mail destined for Europe should be posted by Dec. 2, via air mail.

reflects continued expansion of the Kinzua Tree Farm and the investment in new manufacturing facilities at Heppner," said Kinzua General Manager Allen Nistad.

The company completed construction of a \$4.4 million computerized sawmill at Heppner in October, boosting the total value of the Heppner operation in excess of \$15 million. The sawmill is the first of its kind in the pine industry and enables Kinzua to make full utilization of the small diameter, beetle-killed tree.

In addition to Morrow County's payment, Kinzua's property tax assessments in other counties were: Wheeler, \$74,362; Grant, \$23,903; and Umatilla, \$11,583.

Kinzua Corporation also paid \$195,921 in severance taxes in the last 12 months. A direct payment of \$37,210 was made to Wheeler County with the balance of severance tax payments going to the Department of Revenue for distribution to Eastern Oregon counties based on the amount of private timber volumes in each county.

Veterans group to start newspaper recycling

A newspaper recycling drop, sponsored by the V.F.W. and Auxiliary Post 4184 of Heppner, is being established here with the first monthly collection day set for Sunday, Dec. 10.

The drop will take place on the first Sunday of each month at the home of Darlene Arrington, at 280 East Matlock in Heppner, between the hours of noon and 4 p.m.

Newspapers only are wanted and the V.F.W. asks that newspapers be kept free of

contaminants such as metal, wax paper, aluminum foil, plastic bags and other such items. Newspapers must be kept dry and should be tied in bundles or folded and put in heavy grocery bags.

Door-to-door pickup will be provided for senior citizens who have no transportation on the drop day only. Persons wanting further information should call: Doris Flynn, 676-9259; Welma Mabe, 676-9611; Jean Ball, 676-9666; or Beverly Launer, 676-5290.

County buys new patrol car

Business transacted by the Morrow County Court during the preceding week included purchasing a 1979 Ford patrol car for the sheriff's department for \$6,302.

The new patrol car was bought through a collective bidding program operated by the State of Oregon.

The court also authorized installing an additional vapor light at Cutsforth Park.

does it matter where you buy your diamond?

It certainly does. A purchase as important as a diamond should not be made on the basis of price or "cut-rate" inducement, but on the firm foundation of quality and value received. At this store we proudly display the emblem of Registered Jeweler, American Gem Society — your assurance that we know and guarantee the quality and value of every diamond we offer for sale.
