Wool price supports announced

Support prices of \$1.15 per pound for 1979 marketings of shorn wool and \$1.943 per pound for mohair were announced today by Ray Fitzgerald, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service. Pulled wool will continue to be supported at a level comparable to the support price for shorn wool through

payments on unshorn lambs. As in the past years, shorn wool payments will be based on a percentage of each producer's returns from sales. The percentage will be that required to raise the national average price received by all producers for shorn wool in 1979 up to the support price of \$1.15 a pound. Currently shorn wool prices are averaging 75 to 80 cents a pound.

Mustang fresh win

Heppner High School's freshman basketball entered the Christmas vacation break with a perfect 4-0 record, after posting wins over Helix Jayvees and Ione C team in net action last week.

In Saturday's 55-37 win over Helix, the Mustangs fresh started the game on the right foot, holding Helix scoreless in the first quarter, while scoring 17 points themselves. From that point they continued to dominate the game, although Helix managed to outscore Heppner by a 16-9 margin in the fourth quarter, when much of the Mustang secondary was on the court.

Heppner Coach Dale Holland listed Dorian Farrar, John Murray and Doug Holland as Mustang players giving exceptional performances during the Helix game. Farrar was good for 12 points during the contest, including the sinking of six free throws in six attempts, and brought down 12 rebounds. Holland was 5 for 9 from the field, with eight rebounds, and Murray was 4 for 8 from the field, while bringing down 10 rebounds.

Other Heppner point scorers included Don Lott with seven; Pat Parker and Robert Bier with four each; Jeff Sumner, three; and Kelly Crews, Cliff Dougherty and Earl Hammond with two each.

Earlier in the week, the Heppner freshmen hosted Ione's C squad.

Coach Holland credited his team's superior rebounding effort as the main factor in the Mustangs' 64-45 win, with Heppner bringing in 74 rebounds to Ione's 21. Farrar, Holland, Murray and Hammond each had at least 10 rebounds in the course of the game.

Murray led the Heppner fresh in scoring with 16 points, followed by Farrar with 12 and Holland with 11. Other Heppner pointwinners were Parker with six; Lott and Dougherty with five each; Hammond with four; Bier and Andy Gorman with two each and Joe Struthers with one.

Ione's Jeff Hams tied Murray as the game's leading scorer, sinking 16 points. Jerry McElligott was good for eight points for Ione.

No more freshman basketball action is scheduled until after the Christmas season break.
