

## County has eight on

### BMCC

## Honor Roll

Eight Morrow Countians made Blue Mountain Community College's honor roll for fall term, and 13 Morrow County students were named to BMCC's dean's list.

Honor roll students must maintain grade point averages of 3.5 or higher, and students must earn grades of 3.0 or higher to be named to the dean's list.

Receiving straight-A grades during fall term were Mary Abrams of Heppner and Sharon McCarl of Lexington. Other County honor roll stu-

dents are Donna Palmer of Ione; Patsy Wimmer of Boardman; Diane Holland and Don McEwen of Heppner; Leslye Jones and Lori Rhea of Lexington.

Local dean's list students are James Kenny, Laurie McCabe, Bobbi Nielson, Robanai Riddle and Patti Saling of Heppner; Lewis Lott of Boardman; Penny Conboy, James Haupt, Marilee Hellberg and Theresa Proctor of Irrigon; Debora Palmer, Dawn Peterson and Rick Peterson of Ione.

# BMCC plans tuition hike for fall term classes

An increase in tuition fees for fall term 1979 was adopted by the Blue Mountain Community College board at its regular meeting on Dec. 20. Full-time in-district students from Umatilla and Morrow counties will pay \$12 more each term for a tuition fee of \$132 per quarter. Out-of-district students from Oregon will be charged \$180 per term.

The greatest tuition hike will come for out-of-state students who will pay \$509 per term. Truman Baily, registrar, reported that this hike will affect about eight students currently enrolled at the college.

Part-time and evening students will be charged \$11 per credit hour, up \$2 from this year. Credit hour ratings for non-transfer courses may be less than for college transfer classes, keeping class costs down for the student who just wants to take a class or two.

In summary, total tuition costs for one year at BMCC for the full-time student will be: in-district \$411 (up from \$375); out-of-district \$555 (up from \$495); and out-of-state \$1,527 (up from \$855). These figures include a \$5 fee per term for

student insurance.

In other financial matters, the board revised bookkeeping procedures in handling funds for athletics, activities and student government. The revision brings the college more in line with procedures used at other colleges. In the future, student government funds will be completely separate from other college funded programs such as student newspaper, Rodeo Club, livestock judging, drama and athletics.

In a report from President Daniels, the board heard that the college has completed purchase of a 4-wheel-drive pick-up and snow plow blade. Daniels also noted that communication is continuing with NORPA on a college housing project.

## Pesticide workshop set for Feb. 6 in Pendleton

Extension Agent Luther Fitch reminds pesticide applicators and consultants that there is still time to enroll in a basic entomology shortcourse being held Feb. 6 and 7 at the Pendleton Elks Lodge.

The one and one-half day shortcourse starts at 8 a.m. Feb. 6 and carries 12 credit hours toward re-certification. Shortcourse instructors include specialists from Oregon, Idaho, Washington and Nevada. Of special interest to those associated with the livestock industry will be a session the morning of Feb. 6 on livestock insect pests.

A pre-registration fee is requested. For details call the

extension office in Milton-Freewater, Pendleton, or Hermiston.

Also, Fitch reminds that on Feb. 8 a special review and licensing session will be held 8:30 a.m. to 3:30 p.m. at the

Pendleton Elks Lodge for farmers who want to become certified to apply restricted-use pesticides.

All categories of examinations will be available on the afternoon of Feb. 8 so that farmers, commercial applicators in any of the several categories, governmental applicators and consultants who need to take the certifying exam can do so at that time.

## Munkers parents of first 1979 Umatilla baby

Umatilla County's 1979 New Year's Baby waited less than two hours into this new year to

give birth to the 1979 edition of the Umatilla County New Year's Baby.

Mary Ann Munkers of Irrigon, the first baby to be born in Umatilla County 21 years ago, gave birth at 1:34 a.m. to eight pound, 5 1/2 ounce

Tiffany Ann Munkers. Mrs. Munkers, the 1977 queen of the Morrow County Fair and Rodeo, is a graduate of Riverside High School. She is the daughter of Mr. and Mrs. Rocky Proctor of Irrigon.

Her husband, Barry Mun-

kers, is a graduate of Heppner High School, and also holds a degree in agribusiness from Blue Mountain Community College. The New Year's father is the son of Mr. and Mrs. Leonard Munkers of Lexington.

## Batik workshop

is scheduled

by BMCC

Blue Mountain Community College will sponsor a two-day batik workshop in Lexington, to be held on consecutive Saturdays, Jan. 20 and Jan. 27, from 9 a.m. to 3 p.m.

Instructor for the workshop will be Jamelee Curnutt of Heppner. Total fees will be \$15-\$9 for tuition and \$6 for lab fees.

Persons interested in taking part in the workshop are asked to make their feelings known as soon as possible, so that the necessary materials can be ordered. Registration information may be obtained by contacting Nancy Brownfield, BMCC's field coordinator, at 676-5039.

## Kinzua news

• Barbara Pike

Chuck and Patti Constantin are the parents of a girl, born Dec. 29 at the University of Oregon Hospital in Portland. The baby, named Nicole Lynn, weighed 5 lbs. 15 1/2 ozs.

Grandparents of the tiny miss are Raoul and Earlene Constantin, Portland, and Don and Barbara Pike, Kinzua. There are several Great-grandparents and a great, great-grandmother, Charlotte Engle, Riverton, Wyoming.

The holiday season has ended and the handful of residents here prepare to move when school ends. All residents were notified several weeks ago that the housing must be vacated by June 30 of this year. Most activity has come to a halt due to the extremely cold weather here. The crew that has been tearing down the mill hasn't been working since before Christmas. The skeleton crew employed by Kinzua Corp. to maintain town services and dismantle the buildings has been very busy in an effort to keep water, sewer and fire lines open. Most residents spent the last few weeks close to home and fire, enjoying the beauty and quiet in our snow covered town.

Nina Castle and her daughter Tara left Dec. 23 for Bonners Ferry, Idaho to spend the holidays with Nina's son, Jay Baker and his family. They also visited with her mother Ruth Arther before returning home Jan. 6.

Lance and Hollie Van Meter and children, Clay and Charlotte, arrived Dec. 29 to visit with his family, Don and Barbara Pike and family. The whole family went to Portland Saturday to catch a glimpse of the newest family member, Nicole Lynn, through the nursery window. They also were able to visit a few minutes with the baby's mother, Patti Constantin, who was up for the first time after surgery. The Pikes and Van Meters returned to Kinzua that evening after spending several hours with the proud father. The Van Meters left for their home in Parma, Idaho Sunday evening.
