I would like to thank all my friends and neighbors for the flowers, cards and gifts that I received while in the three hospitals. You made the holiday season much happier for me.
Thanks for the extra special touch of kindness and good care that I received in our own hospital.

Iva Booker

We wish to thank everyone who sent flowers, money, cards of sympathy and brought us food after our recent bereavement. We will always be grateful for these thoughtful acts of kindness and understanding from our friends.

THE SPIDER
During Mark Twain's days as a newspaperman, he was editor of a small Missouri paper. One day he received a letter from a subscriber, stating that he had found a spider in his paper, and asked if this was an omen of good or bad luck.
Twain replied: "Finding a spider in your paper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."
THE GAZETTE-TIMES
will keep the spider away from your door
