

## Mustang frosh sink Riverside

Doug Holland scored 18 points and brought down 10 rebounds to help spark the Mustangs' freshman hoop squad to a 59-32 victory over Riverside on Saturday.

The win brought the Heppner frosh to a 6-3 season record.

Coach Dale Holland praised the efforts of Dorian Farrar, who picked up 16 points, and John Murray who scored 10. The two "both played very well, and Doug played his best game of the season," the coach said.

The Mustang freshmen out-rebounded the Riverside players 59-26, prompting Coach Holland to comment, "we really overpowered them on the boards."

Other point scorers for the Heppner frosh were Don Lott, five; Cliff Dougherty, four; Pat Parker and Robert Bier.

### Cascade Locks

The Ione J.V. boys were the only team to come out unscathed over the weekend. They thoroughly stomped Cascade Locks both nights, Friday by a score of 64-23, and Saturday by a margin of 64-30.

Mike Conklin was the high point scorer Friday with 11. Forsythe said, "He really hustles a lot out there. He was really good in rebounding both nights, too." Paul Snow, Tim Holtz and Jeff Hams were all good for eight.

Saturday the Cards came out slowly and then got into the action in the second half, scoring almost 40 of their points then. The difference according to Forsythe was, "that we put on a tight zone trap."

High point man for Ione was Darrin Padberg with 11, followed by Jim Jepsen with eight.

In eighth grade action against Stanfield, Ione once again prevailed, this time by a 32-21 margin.

The eighth graders contained Stanfield to only four first half points; with Stanfield's run-and-gun zone press failing to gel against the junior Cards.

Donny Taylor was Ione's top scorer with 14, followed by Craig Gutierrez with six and Denny Starr with five.

Ione's eighth grade team will take part Saturday, Feb. 10, in a four-way tournament with Echo, Helix and Pilot Rock. Ione's first game of the tournament starts at 9 a.m. The tournament is being played in Helix.

## Rep. Bellamy co-sponsors legislative pay cut bill

District 55 Representative Billy Bellamy, R-Culver, has spoken in favor of limited government spending by backing a bill which would effect a 10 per cent pay cut for members of Oregon's House and Senate. He also voted against the recently appropriated \$5.7 million legislative assembly budget.

The pay cut bill was introduced by Rep. Larry Campbell, R-District 43, and is sponsored by Rep. Bellamy and 13 other members of the House and Senate. It would cut monthly salaries from \$654 to \$588.60 and per diem expenses from \$44 to \$39.60. Projected overall savings from the cut are expected to be near

\$140,000. "I am not saying that I think Oregon legislators are overpaid for the work they do," said Rep. Bellamy. "But, it is necessary that we prevent the legislative salaries from becoming large enough for a person to live off of."

Rep. Bellamy also said that budget cutting should start

with the legislature. This is reflected in his opposition to the bill, passed recently, which appropriated a \$5.7 million operating budget for this legislative assembly.

"The reason used for rushing this budget through the legislature was that it was necessary to meet payroll and other obligations," said Rep.

Bellamy. "I think the budget needed some study and cut-backs. I wanted to appropriate sufficient funds to meet payroll and then really study this budget."

The budget is increased 14 per cent over the 77-79 legislative budget. The major increase is a 35 per cent raise in legislator's budgets.

"It is vital that the legislature set an example. We must listen to what the people are telling us about government spending," said Rep. Bellamy. "Instead, we have appropriated an unnecessarily large budget without proper study."
