Mrs. Mary Adams has returned to her home after a successful eye operation in Portland. It has been necessary to make quite a number of trips to Portland to see the doctor concerning her eyes. She was taken to Portland last Thursday and planned to go

again Monday for a check-up. Dorma Bell, who is District G Director for the Lions Clubs, attended the mid-winter Conference of Lions International in Medford. One of the points of business was the formulating of plans for the Lions' state convention which will be

held in late May at the Lloyd Center in Portland. The date will be announced later. Mrs. Bell lives in Irrigon with her husband Charles. However they are still members of the Boardman Lions' Club, since they joined the club there before moving to Irrigon. Mr. and Mrs. Pat (Tiny) McDonough also attended the Lions conference. Adela McDonough returned home with Mrs. Bell. McDonough had some vacation time coming so

spent a week visiting his relatives in California before returning home. Mr. and Mrs. Ed Johnson, who sponsored an exchange student from Australia, have said good-bye to Carol Mann, who left Jan. 24. She participated in many activities while here, such as attending the Irrigon Lioness meeting, and seemed to really enjoy being here. Her parents operate a dairy farm 140 miles from Sydney and she is very much an outdoor girl. It was

much too cold here at this time of year to be out of doors very much. It was a different story with Michelle Doghaun. They took her skiing which she seemed to enjoy, and to other activities but she became homesick and after two weeks returned to her home. She had been a guest of Mr. and Mrs. Pat McDonough. There were some 70 Australian exchange students, sponsored by the Lions' International who were placed in

homes in five western states. They all met at Los Angeles and attended Disneyland before taking a plane back to Australia. A few of the students were from New Zealand. Several couples met at the Irrigon's Lion Clubhouse at 1 p.m. Thursday for a work day and did some painting in the building. They wound up the day with hotcakes, bacon and eggs, at 7 p.m. Bob Dickerson of Pasco, spoke in the evening service at the Assembly of God, Jan. 18. He has ministered with success for a number of years in prison and jail services. He has shared many experiences where inmates were converted and began ministering themselves to fellow inmates. Much of his work has been within the Montana State Prison.

He was accompanied by Evangelist Larry MaKeef who spoke briefly and sang several songs of his own composition. Pastor and Mrs. Allen Gordanier and members of the Assembly church board and their wives attended the Sectional A of G business meeting and dinner held at the Hermiston Assembly of God on Jan. 25.

Mr. and Mrs. Warren Prouty of Irrigon have returned from a vacation to San Francisco, Los Angeles and Quartzite, Ariz. In Quartzite they met with Mrs. Prouty's parents Mr. and Mrs. Rex Paulson. Prouty broke his leg on Jan. 6, when he fell from a ladder, while working at hauling potatoes. One good reason to take a vacation. He expected to go back to work when he returned but the doctor told him he needed two more weeks to recover. With this weather he should have stayed in Arizona, he said. He will be hauling seed potatoes from Montana when he returns to work.

Bart Prouty of Irrigon has enlisted in the Army and is stationed at Fort Benning, Ga. for basic training and later his specialized training. He expects to be there until April. He is the son of Mr. and Mrs. Warren Prouty of Irrigon.

His wife, Caroline, will remain in Irrigon with her parents, Mr. and Mrs. Robert Gillette, until he has completed his basic training.
