Senior Citizen News

By Justine Weatherford

Last week, seniors' schedules were disrupted by water problems in Heppner. It was decided to call off the senior dinners here last Tuesday and Wednesday, and an effort was made to contact all diners by telephone on Tuesday morning.

Water problems continued this week, prompting the cancellation of the senior meals once more. Hopefully, the problem will be corrected by next week, when on Tuesday, the menu for Heppner will be chops in mushroom sauce, mashed potatoes, buttered peas, relish plate, cornbread with butter and jelly, and chocolate pudding. On Wednesday at Ione and Heppner, the menu will be orange juice, macaroni and cheese, green beans, cabbage slaw, bran muffins, apple sauce and cookies.

At Irrigon on Monday, the menu will be pot roast with vegetables and gravy, jello with fruit cocktail and cottage cheese, biscuits and jelly, cheery cheesecake with topping.

Ione was such a muddy mess last week that all social activities were cancelled

there. It is hoped that folks there will be able to move about better this week and will have resumed their meals together on Wednesday.

While reading a new magazine, SEARCH, a short item in the February-March issue attracted my attention. The paragraph on page five dealt with senior citizen activity, stating:

"Old-timers who belly up to the table laid by Rapid City, South Dakota's senior citizens

FEBRUARY'S BIRTHSTONE

The Amethyst

Serene and capable of inspiring virtue and high ideals, the Amethyst is the traditional symbol of authority and is still found in bishops' rings. It has been called the favorite stone of St. Valentine, who wore one engraved with a Cupid. The Amethyst marks its wearer with sincerity.
