

Hear and Their

with Eva Hamlett

A week ago Sunday on KOIN TV, the program of Northwest Illustrated was on the freight train run from Pendleton to La Grande, considered the toughest run in the United States. A young man whose name I have forgotten, had finished a special engineering school and they said if he could take this run, he was well qualified.

The train had two full-powered engines and a small engine. The reporter was riding the train and showed pictures of the snow banks and how the train had to clear the tracks, in some places was only traveling 10 miles an hour. It was quite an interesting feature.

On Monday night the Evening show on KGW showed pictures of the agriculture in the sands around Boardman and what irrigation has accomplished. They interviewed several people connected with the different operations and companies. Among them was Larry Lindsay and his operation.

We have enjoyed watching these two shows as they always have interesting features and many times they are of Eastern Oregon.

A baby shower was held February 21st, given by the St. William's Altar Society for Bonnie Palmateer and son Tyson.

Bonnie Ball was hostess for a birthday party in honor of Diane Harns on Friday afternoon, Feb. 23.

The United Church of Christ Council will meet March 5, 7:30 p.m. at the church. Business will cover appointments of committees, plans for the summer picnic and Maundy Thursday.

Ione High School, for their money making project, will have a student work day on March 7. Students will be available for contracts for work that day. People wanting more information, or interested in hiring students are requested to call the school previous to that day.

Nancy and Daryl Spivey are the parents of a girl, McKenzie Jolene, born February 21st at the Good Shepherd Hospital in Hermiston.

The senior girls of Ione High School were honored at a tea by the members of the Women's Topic Club at the United Church of Christ social rooms on Tuesday, Feb. 20. Guests present were Kim Cofenas, Mrs. Elbe Akers, Michelle McElligott, Mrs. Jerry McElligott, Darcie Rea, Mrs. Lewis Halvorsen, Arletta Aldrich, Mrs. Cliff Aldrich, Robin Leavitt, Mrs. Nancy Leavitt, and Tina Cobb. Janet McElligott was unable to attend because of illness.

A short program was presented including a Welcome by Martha Peterson; violin solo, "The Whole World is Singing My Song," by Frances Smouse; Club History by Jean Nelson; vocal solo, "O Glorious Love," by Wilma Cheney accompanied by Brenda Ekstrom; reading, "The Library" by Lorraine Ladd; and a violin solo, "Dormi, Dormi, Dormi" by Frances Smouse. Tea was served from a lovely table centered with a red carnation and white spoon chrysanthemum arrangement. Those pouring were Mrs. Jerry McElligott and Martha Peterson.

Club members acting as hostesses were Martha Peterson, Lorraine Ladd, Rose Baker, Helen Poudfoot, Vera Rietmann, Frances Carlson and Jean Nelson. At a short business meeting plans were made for a traveling food sale on April 6 to raise money for the library. Regret was expressed that the library has to be closed for a time due to flood damage.

Members of the Ione Garden Club met Feb. 14 at the West of Willow in Heppner for a no-host luncheon and business meeting. Later they visited the "Plant Seller" to see the beautiful display of plants. Care of plants was briefly discussed with questions answered by Barbara James, owner of the flower shop.

Those attending were: Joyce Buchanan, Loree Hubbard, Delta Huber, Delpha Jones, Ruth McCabe, Nancy

Miller, Jean Nelson, Leila Palmer, Pat Pettyjohn and Edith Nickerson.

Plans were made at this meeting for the visit to the Nursing Home of the Pioneer Memorial Hospital on Feb. 20. Delpha Jones showed slides of the Burchart Gardens of Victoria, B.C. Refreshments were

served by Delpha Jones, Joyce Buchanan, Leila Palmer and Irene Padberg.

Heppner Lions donate \$650 to band uniform fund from jacket sales

Heppner Lions Club recently completed a booster jacket sale, which resulted in the donation of \$650 to the Heppner High School band uniform fund.

More than 180 Heppner Mustang jackets were purchased by community mem-

bers in support of the project. Lions Club President Larry Mills presented a check for the funds collected in the booster jacket program to HHS band director Jim Ackley, during the recent Heppner-Pilot Rock basketball game. Special recognition was given to Phyllis

Kroll of Kroll's Department Store for her assistance in obtaining the jackets and providing them at cost to the Lions.

Elementary students science fair March 6

Heppner Elementary students will have a chance to demonstrate their science skills on Tuesday, March 6, in a Science Fair in the school's multipurpose room.

Parents and community members are invited to view

the scientific handwork of students in grades K-8 from 6 to 8 p.m. on March 6.

Each grade level will be judged, with ribbons to be awarded outstanding exhibitors from grades 5-8.
