

Shop Heppner

We've got a lot to offer.

Smiling Faces.....

It's always nice to shop where you are known and where you know the sales clerk and Heppner shops and stores are filled with the smiling faces of those willing to help you find the merchandise you want in the size, colors and styles you like.

All those smiling faces—which include Heppner's business owners and operators—are saying "Thank you for

shopping at home...now how can we serve you?

When you shop at home in Heppner, you're keeping your dollars at home, too. That's where the dollars you spend benefit you—at home—where your friends and neighbors are employed and pay taxes. Smiling faces! You'll find them when you shop Heppner.

Selection.....

We all hear from time to time that small town business districts don't have the selection. Let's take a look at Heppner. Boys shirts, ladies fashions, spring water from France, nuts and bolts, guns and ammunition, tennis rackets and ping pong balls, coffee mugs and beverage sets, electric toasters and micro-wave ovens, shoes for the family, tires for the car, and on and on with a list that could fill this page.

There isn't a shortage of stores either. Fashions can be found in the

latest styles at any of four stores and shops, four grocery outlets, a furniture store, two floor covering shops, a top-quality variety store, four stores that sell small appliances and three more that deal in large appliances, a selection of restaurants and lounges, all your insurance needs in three offices, automobile sales and repair, fabrics for the seamstress, a large drug store with gift shop and discount pricing, and again the list goes on.

Selection...there's plenty in Heppner and it's yours for the asking.

Service.....

Let's say you buy an item and it doesn't work...or the seam rips out...or the repair that was made doesn't stay repaired.

When you shop Heppner there's a quick and ready solution. A trip downtown—or sometimes just a phone call—brings you an item that does

work, or a new garment or a second repair made without additional charge.

That's just one type of service, however. Other services you enjoy by shopping Heppner include check-cashing opportunities, charge accounts at many stores, lay-a-way plans and full use of your bank credit cards.

Community Boosters.....

When you shop at home, you're boosting some of the biggest community boosters around. Heppner stores and shops continually support civic groups and organizations that you, your family and your neighbors belong to. The Morrow County Fair & Rodeo would certainly be a different kind of festival without your Heppner businesses which provide awards, prizes and money for a number of events ranging from tole painting to bareback

bronc riding.

Schools, city and county government also reap the benefits of your shopping Heppner, and directly, you reap the benefits. As a businessman pays more in taxes—the result of your shopping his store—school and government services are improved and the tax burden to the individual decreases.

So become a community booster yourself by boosting business in Heppner.
