

Up and over...

Heppner's Mary Kincaid clears the high jump bar at 4'-6" in Pendleton Tuesday to claim second place in the event. Mustang tracksters, under the coaching of Dale Conklin, are short in numbers this year but high in individual talent. The team travels to Condon for the Blue Devil's invitational Saturday at 10 a.m.

Mustang tracksters strong

Heppner High School tracksters got into the thick of competition this past week with three different outings—a pentathlon in which each person competes in five events, the Willamette Relays and a Co-Ed Relay meet.

Although each outing has been plagued with winds and cool temperatures, the Mustang tracksters have managed to collect some outstanding performances.

Maureen Healy has run 100 meters in :12.8, high jumped 5-2 and long jumped 17-3 1/2. All three are "bests" in Oregon among Class A girls and the long jump mark is a new

school record. She was also the top point girl in the pentathlon.

Richard Schmidt hasn't quite collected the form and

technique that earned him two state place finishes last season, but he isn't far from it. He high-jumped 6-2 for first place

Little League

tryouts Apr. 7

Little League tryouts for the 1979 baseball season get underway Saturday, April 7, for youngsters in Heppner and Ione.

Tryouts will start at 10 a.m. at the Ione schools athletic field for Ione players, and at 1 p.m. at the fairgrounds Little League field for Heppner players. Boys and girls 8-12 are urged to try out for the local teams.

This year's season will include the addition of a new team from Condon into the Willow Creek League's schedule. The season opener is scheduled for May 12.

Registration is underway this week at area elementary schools.

hitters last year. McCabe was also the Redbirds leading pitcher.

Martin seems to swim in a sea of talent and experience, but the Cards can see a rough road ahead of them, playing such powerhouses as Sherman, Condon and Heppner to name a few.

Girls softball league meeting is next Tuesday

Awards for basketball are listed

Mike Stookey and Maureen Healy were named most valuable players for their respective Heppner High basketball teams, following the conclusion of the 1978-79 basketball season.

Dale Holland took Most Improved and Most Inspirational awards for the Mustang hoopsters, while Mary Kincaid was named Most Inspirational and Alice Abrams was chosen Most Improved for the Fillies.

An organizational meeting of the Willow Creek Girls Softball League will be held Tuesday, April 10, at 7:30 p.m., at the Elk's Temple for parents and coaches.

All interested parents are urged to attend. Coaches are needed.

Girls from the fourth

through the eighth grade are eligible. Sign-up forms are available at Heppner and Ione Elementary Schools.

Official league play will start around the middle of May and extend through the last of June.

Seventy girls participated in the program last year.
