

Legislature tour well received by County women

Want to know what is happening down at the Legislature? Forty three women from Morrow and Umatilla counties can tell you! After a long day in Salem, meeting with Eastern Oregon legislators, the governor, and visiting the Senate and House of Representatives, as well as committee hearings, they are well informed.

Boarding a bus at 5 a.m., the women arrived in Salem in time for the opening ceremonies in both the Senate and House. Lunch in the Blue Room with Senator Ken Jernstedt, Representative Bill Bellamy, Senator Mike Thorne and Representative Jack Duff allowed time for many questions. Following the luncheon, each had the opportunity to visit with Governor Atiyeh in the Governor's Office, as well as visit committee hearings and view the county exhibits and art displays in the Capitol.

What kind of questions do women ask of the Governor and their elected legislators? There were many related to roads and taxes.

Arrangements for the Extension-sponsored day in Salem were made by Mrs. Mike Thorne and Senator Thorne's secretary, Kathy Rock.

Those attending from Morrow County were Virginia Rosewall, Garnett Huddleston, Marge Shade, Mildred Wright, Mary Wright, Birdine Tullis and Ms. Courtney.

4-H'ERS TO ATTEND "KNOW YOUR STATE GOVERNMENT"

Two Morrow County 4-H members will join with those from all over Oregon in learning all about state government next week. Lori Witt, Irrigon, and Jeff Bailey, Heppner, will represent our county at the conference, which allows older members to spend two full days at the Legislature.

Housing will be at the 4-H

Center near Salem, but delegates will spend most of their time in the Capitol, where they will have the opportunity to meet the Governor and all elected officials.

REMINDERS TO 4-H MEMBERS WITH BEEF

Weigh-in days for 4-H Beef

animals have been scheduled for April 7 for those in North Morrow, and April 14 for South Morrow.

Both days include additional events of interest to all livestock members, with a tour of Gantenbein Dairy at 2:30 p.m. on April 7. A livestock judging contest and

fitting and showing demonstrations will be offered at 1 p.m. on April 14. Members may weigh their animals at the most convenient place. See your April 4-H Newsletter for additional information.

SUMMER WEEK INFORMATION MAILED All enrolled 4-H members

seventh grade and older should have received an interesting bit of information from us the past week. That would be their registration form, and information concerning 4-H Summer Week at Corvallis, June 11-16. Information is also included in the senior age letter concerning

teen staff at State Fair, and other summer events and activities.

We encourage all 4-H members to return the application forms to the county office just as soon as possible. SEW SOMETHING SPECIAL Thursday, April 5 is the big event for learning to "Sew

Something Special." The program starts at 10:30 a.m.

Everyone is welcome to attend. No charge. Workshops will include applique, t-shirts, pants, down garments, machine embroidery, cathedral quilts and blazers. Bring your pencil and note pad—and your

lunch. You'll be sure to learn something new.
