### Water filling reservoir at Carty site

Cont. from page 3

Water is already filling the plant's cooling reservoir, which will eliminate the need for cooling towers, and provide new irrigation potential for the adjoining Boeing and SimTag agricultural corporations. Ultimately, PGE plans to expand the reservoir to the point that 35,000 acre feet of water more than is needed to operate the plant will soon be on hand.

In addition to providing extra irrigation water, the expanded reservoir would provide enough water for cooling purposes for a possible second coal plant—or if the Navy vacates the Boardman Bombing Range, a new nuclear plant.

The state Energy Siting Council in 1975 voted not to allow PGE to build a nuclear plant at Carty, so long as the practice range remained in use in the area.

Mrs. Buchanan's family from Hillsboro.

Pomona Grange will meet Saturday at 10:30 a.m. at the Rhea Creek Grange Hall. Dinner will be served at noon followed by a cake walk and slides shown by Dorris Graves.

## R.S.V.P. logs 3,000 hours in Morrow County

By Alena Anderson

Fifteen R.S.V.P. members and interested friends met April 20 at the Neighborhood Center for a potluck luncheon. June Wagner, director, reported that South Morrow County volunteers had logged more than three thousand hours of volunteer service.

There were several prizes, with Irene Anhorn receiving first prize for recycled clothing, and Theta Lowe second prize.

The prize for knitted baby booties went to Elsie Fox.

The door prize was won by Bill Driscoll. Prizes were garden plants.

A blood pressure clinic will

be held in Heppner at the Degree of Honor Building on Wednesday, May 2.

The Social Security Administration Representative will be at the Neighborhood Center Friday, May 4, from 10 a.m. to noon.

The Triple A Project Council will meet May 8, in Arlington.

Menus for next week include: At Irrigon, April 30, meat loaf with dressing, oven-baked potatoes, buttered green beans, club salad, biscuits and jelly and brownies with topping.

At Heppner, Tuesday, May 1, zucchini-cheese skillet dinner, apple-celery in lime jello, Bulgarian muffins and jelly,

buttered corn and lemon pudding with topping.

At Heppner and Ione, Wednesday, May 2, meat loaf with dressing, oven-baked potatoes, buttered green beans, club salad, biscuits and jelly and brownies with topping.

Coffee, tea and milk served with all meals.

A Safeway service in support of suggestions from the U.S. Office of Consumer Affairs

## INFLATION FIGHTING ideas

**"Gardening - Grow It Yourself"**

An Inflation Fighting Idea from the U.S. Office of Consumer Affairs: Planting a back yard garden is a great way to have the pleasures of home-grown fresh vegetables and fruits all summer long ... all year long in some climates. Quite inexpensively, too.

Safeway, as "green-thumbers" know, carries a large selection of seeds, soil additives, fertilizers, insecticides and tools. Many Safeway Stores also sell "pony packs" of thriving healthy plants ready for you to transplant.

Your own vegetable garden won't take much room. The joys of "growing your own" are much greater than the little bit of work involved. Even a kitchen window can be used as an herb garden. Plant chives, parsley, green onions, etc. and snip them as the recipes demand.

... together, we can be **INFLATION FIGHTERS!**
