

I take this opportunity of thank my friends, relatives and especially, the Methodist Church people—who all helped make my farewell party a memorable one.

## Hear and Their

By Eva Hamlett

Back home again, and it seems good to be back in the wide open spaces, away from all the hustle and bustle of city life and the constant stream of traffic. Leaving here we drove to Downville, Calif. and spent several days with Norma and Thomas Hamlett (Adon's brother). We visited relatives in Vallejo, Calif. then went on to Hayward, and went out to the Gillig Corp. plant, where my cousin Bud (Charles) Lundell

is parts manager. They build school buses and transit buses. He took us on a tour of the plant where they were building school buses. It was very interesting and I was impressed with the sturdy construction and all the safety features they had on them. They had a huge lot filled with transit and school buses ready for delivery. The nearest to us was Yakima, Washington. Since everyone was working, Bud suggested we take

the Bart Expressway to San Francisco, and spend the afternoon, which we did. You didn't realize you were going under the bay except for the darkness outside. We were going to take the cable car down to Fisherman's Wharf, but after seeing the line-up waiting and the way they loaded them in the cars, we decided to just walk around the area until time to take the Bart back to Piedmont. We went back to Bud and

Jan's, and after dinner we all went over to Dale and Beverly Lundells for the evening. It was the first time we had all been together for quite a number of years so we had a lot of catching up to do. The next day we went to Sunnyvale, Calif. and spent several days looking up friends that Adon had grown up with, and also his niece and nephew whom we hadn't seen for a long time. Easter weekend we spent at

Santa Cruz visiting Margaret and Elmer Denson. We decided to come home by the way of Klamath Falls and Bend as we hadn't been over that way for a long time. Bend has grown until it does not look like the same place. We got into a heavy snow storm at Shasta, and from Klamath Falls to Madras had light snow falling. At Madras we found the sun shining and had nice weather the rest of the way.

Bunchgrass Rebekah Lodge met last Thursday at Beecher's for a no-host luncheon and meeting. Eighteen members attended. After the regular order of business it was decided to hold the next meeting at the Grange Hall with Margaret Akers as hostess. It will be an early meeting starting at 10 a.m. and members will make plans and favors for a luncheon to be held in the near future.

Mr. and Mrs. Leo Crabtree, Kevin McCabe and Ashley McCabe of The Dalles spent Easter weekend at the home of Mr. and Mrs. Michael Hall in Moscow, Idaho.

Mrs. R.A. Horton passed away at Dallas, Oregon on April 14 at the age of 89 years. Graveside services were held on April 17, with memorial services at the United Methodist Church with the Rev. Paul LaRue officiating. Casket bearers were her grandsons.

She is survived by her husband, Ralph, daughters, Lucy Todd, Roseburg and Helen Martin, Ione; sons, Lester and Raymond, both of Roseburg, 14 grandchildren and 28 great-grandchildren. Among the grandchildren attending were Mr. and Mrs. Ralph Martin of Lake Oswego, Melvin Martin of Moses Lake, Wash., and Mrs. Jean Brazell of Jordan Valley.

The Blue Mountain District No. 10 of the Oregon Federation of Garden Clubs meeting was held at Hermiston on April 21, with the Bloomer Girls as hostesses.
