From the moment the first player stepped up to bat the Cards were in control of the ballgame, when they met Sherman County last Friday. Robin LaRue, Kevin McCabe and Danny McElligott were the first three up to bat

and the first three to make it home. Dennis Stefani was out on a fly and Les Thompson, Barney Rea and Shawn LaRue came on in to put six points on the scoreboard before the

# Jr. High catapult contest tests students innovation

The second annual 8th grade catapult contest drew a large crowd and a variety of innovative machines used to send projectiles distances ranging from a couple of inches to more than 20 meters. Syreece McLean, junior high science teacher, said

catapult designs were engineered better and egg containers were vastly improved over last year's event. Eggs were inside specially constructed containers and were checked after being launched to see if the egg was intact after its launch and subsequent landing.

Students had five weeks to design and complete their

projects which ranged from fish poles (the winning catapult, constructed by Shawn Gibson and Michael Johnson) to complex hand-cranked, all metal catapults such as the one Mardel James built. A complete list of winners and their distances follows.

## Junior Cards drop Stanfield, grab 6-2 mark for season

Ione's junior high baseball team took a doubleheader from Stanfield Monday to end the season with a 6-2 record.

The Junior Cards won the first game 2-0, and took the second contest by a 3-1 margin. Troy Lindstrom pitched a no-hitter in the first game, with Craig Gutierrez giving up only one hit while striking out five and walking only two in the second game. Gutierrez ended the season with a 4-0 mound record for the fledgling Cardinals.

In the first game, Ione's scoring began in the first inning, after a Junior Card walked, Denny Starr singled, and Donny Taylor drove in two runs with a base hit. Starr and Taylor accounted for the only two hits for Ione.

Ione started out hot in the second game, after Roger Morter walked, then scored on a hit-and-run play off Gutierrez double.

The Junior Cards came back in the third inning, when Donny Taylor singled, stole second and third, then scored when a Stanfield pickoff play misfired. The remaining Ione run came on another Stanfield error.

Stanfield threatened during its last turn at the plate. With two men on base, a Stanfield batter drilled a long fly to the outfield, which was caught by a lone fielder, who picked off a base runner to make a double play.

Last week, the Ionians beat Heppner 7-6, and lost to Condon 6-8.

Coach Bob Deeter praised the efforts of the 6-2 junior high team, noting the outstanding mound performance of Gutierrez, and the consistent hitting abilities of Donny Taylor, Denny Starr, Troy Lindstrom and Gutierrez.
